MICHAEL RICHARDSON, Rich's Photos, 1600 West Flagler Street, Miami, Florida, telephone 643-2151, viewed the following photographs in an effort to determine the identity of the individual who requested documentary photographs bearing the name Democratic National Convention and LARRY O'BRIEN thereon to be developed. This individual appeared at Rich Photos with BERNARD BARKER and FRANK FIORINI. U

GEORGE GORDON LIDDY
EUGENE ROLANDO MARTINEZ
FRANK FIORINI
A. BUTTERFIELD
FELIPE DE DIEGO
E. HOWARD HUNT
BERNARD L. BARKER
VIRGILIO GONZALEZ
JAMES WALTER McCORD
C. W. COLSON
D. R. YOUNG

He advised that, with the exception of BERNARD BARKER and FRANK FIORINI, he could not identify the photographs; however, he stated the individual who appeared with BARKER and FIORINI had a Cuban accent and, according to Mr. RICHARDSON, apparently was the individual who photographed the documents. This individual was a white male, approximately 5'10'11" tall, Cuban, blond, kinky, curly hair. The hair was kinky enough that if he let it grow and formed it, it could be an afro. The hair receded at the temples similar to the photograph of GEORGE LIDDY. The strand of curls ran down the front middle of his forehead. U

The shape of the man's face was the same as LIDDY's face, however, much thinner than LIDDY's face. U

MARGE SNOW was interviewed at the First Bank and Trust Company, 150 East Palmetto Park Road, Boca Raton, Florida by SA JOHN J. CLOHERTY, JR. SNOW, subsequent to being apprised as to the identity of the interviewing agent and the nature of his inquiry, furnished the following information:

SNOW is currently employed in the collection department at the First Bank and Trust Company and has been employed by the bank for the past 14 years.

On being exhibited a copy of cashiers check #131138, dated April 10, 1972, in the amount of \$25,000, payable to KENNETH H. DAHLBERG, SNOW advised that she handled this particular transaction. SNOW was unable to recall the circumstances surrounding the transaction or the proceeds which were utilized by DAHLBERG to purchase the check.

On reviewing her work tape for April 10, 1972, SNOW stated that same failed to disclose any receipt of a check in the amount of \$25,000 or that any account at the bank was debited in that amount on that date. In view of this, SNOW opined that DAHLBERG utilized cash to purchase the check but a final determination could be made upon a review of her "cash out-run tape", for that date, which is currently on microfilm and stored in the banks proofroom.

On July 12, 1972, SNOW stated that a review of the microfilm of the "cash out-run tape" for April 10, 1972, failed to disclose any personal check in the name of DAHLBERG but did disclose that she sold \$23,000 cash to the bank vault prior to close of business on April 10, 1972.

SNOW maintains between \$8,000 and \$9,000 in her cash drawer during a normal work day and upon receipt of a large block of cash she will immediately sell same to the vault to preclude an excessive amount of cash in her drawer. In view of this, SNOW is of the opinion that DAHLBERG purchased the cashiers check with cash.

I. INTERVIEW OF WILLIAM D. MC CUIN

Mr. WILLIAM D. MC CUIN, 350 Strathmore Road, Havertown, Pa., doing business as SIC, Inc., P.O. Box 803, Havertown, Pa., 19083, telephone number 215-449-6555, was advised of the identities of the interviewing agents and informed that he was being recontacted for additional information regarding the meeting at the White House allegedly attended by JAMES WALTER MC CORD wherein Bell & Howell equipment was shown. U

He advised that he sells Bell and Howell equipment to the U. S. Marshal's Office in Washington, D. C. On a day thought to be in November, but date unrecalled, he had a contract to deliver several large TAC II burglary alarm kits to the Marshal's Office. Prior to going to Washington, FRANK JAMESON, Vice-President, Special Operations Group, Bell & Howell Communications Company, 186 Third Avenue, Waltham, Mass., suggested that they (JAMESON and MC CUIN) show one of the TAC II kits to AL WONG, Chief of the Technical Security Division, U. S. Secret Service, Washington, D. C., since they were going to be in Washington anyway. MC CUIN had previously discussed a brief case type alarm system with WONG, but had not been able to sell the idea because he felt WONG's laboratory was attempting to develop a similar type system. U

MC CUIN called WONG and made an appointment to show the TAC II kit to WONG. The purpose of the meeting was to show the kit and demonstrate it from a salesman's standpoint in an attempt to sell WONG on the kit. U

MC CUIN did not know the date of the meeting and could find no business records or notes that recorded the date. However, he felt sure that the date of the meeting was either November 18, 1971, or November 30, 1971, because those were the days, according to his daybook, that he picked JAMESON up at the airport in Washington, D. C. MC CUIN thought the meeting took place about 10:30 a.m., because JAMESON's plane usually arrived at about 9:15 a.m.

to 9:30 a.m. He and JAMESON went directly to the White House from the airport. U

They arrived at the White House, signed in, and went to a small cubbyhole-type office in the south end of the building in the wing on 17th Street, not the corner office, but the one next to it, on the ground floor. JAMESON and MC CUIN, accompanied by two or three of WONG's technical assistants, names unknown, were in the room for the first half hour while the complex tri-layered kit was unpacked and set up. AL WONG then arrived with one or two men, names unknown, but assumed to be Secret Service personnel. U

JAMESON then began to show and discuss the contents of the kit. At that time, MC CUIN and one of WONG's technical associates were standing outside the doorless cubbyhole room listening and watching through the doorway. Inside were WONG, JAMESON, and two other men thought to be WONG's assistants. The exact number of persons present at the meetings varied because technical assistants would come in, stand a few minutes, and leave again. Some, all names unknown to MC CUIN, stopped in on more than one occasion. U

During the meeting, one individual in the room asked many pointed questions of JAMESON. JAMESON told MC CUIN sometime after the meeting that he had become irritated with that individual's questions and felt that he had been curt with him. He requested that MC CUIN find out the individual's name so that JAMESON could write a letter of apology in which he would explain in more detail the TAC II alarm system. MC CUIN did not know who this individual was, but recalled that he telephoned the number where he usually calls one of three Secret Service agents whom he knows. Those three Secret Service Agents were

b7c [REDACTED] MC CUIN did not know if he spoke to one of those three or someone else. MC CUIN did not know if any of those three men were at the meeting or not. He explained that he knew the men's names through calling Secret Service and talking to personnel there and then recording their names. However, he could not place the names of the agents with their faces. U

PH 139-115

One of the agents informed MC CUIN that the individual asking the questions was JAMES MC CORD. MC CUIN asked if he was from 1800 G and the man said, "No, I'll get you his phone number," which he did. The number, not recalled by MC CUIN, turned out to be the number for Mc Cord Associates in Rockville, Md. MC CUIN eventually reached MC CORD at that number and until sometime thereafter, was not aware that MC CORD was Security Director for the Re-elect President NIXON Committee, Washington, D. C. u

Attached hereto is a copy of the contents of the Bell & Howell TAC II Kit supplied by MC CUIN. u

III. INVESTIGATION RE PERSONS WHO
OBTAINED \$100 BILLS FROM GIRARD
BANK AT PHILADELPHIA

The following investigation was conducted by
SA DELBERT C. TOOHEY: u

On June 26, 1972, JOSEPH D. MURPHY, Postmaster, Bryn Mawr, Pa., advised that DAVID D. DECKER, P.O. Box 534, currently resided in the 900 block of Blackrock Road, Gladwyne, Pa. He stated that DECKER had rented P.O. Box 534 for approximately 15 years. u

The same date, it was determined that DAVID D. DECKER resided at 910 Blackrock Road, Gladwyne, Pa. Attempts to contact anyone at that location met with negative results. Piquet Detective Agency sticker was observed on the front door of that residence. u

The same date, a review of the local telephone directory indicated that the Piquet Detective Agency was located at 810 Biddle Avenue, Ardmore, Pa., phone number 895-7600. Attempts to contact DAVID D. DECKER at that address met with no success. A message was left for him to contact the writer as soon as possible. DECKER was thereafter located and interviewed outside of Lums Restaurant, City Line Avenue, Bala Cynwyd, Pa. u

FEDERAL BUREAU OF INVESTIGATION

Date June 29, 1972

On June 26, 1972, Mr. DAVID D. DECKER, 910 Blackrock Road, Gladwyne, Pa., was interviewed in a Bureau automobile outside of Lums Restaurant on City Line Avenue, Bala Cynwyd, Pa. Mr. DECKER, a white male, is the owner of the Piquet Detective Agency, 810 Biddle Avenue, Ardmore, Pa., phone number 895-7500. U

On or about April 5, 1972, DECKER withdrew from the Germantown Savings Bank approximately \$500 in cash in \$100 bills which may or may not have been new. That same day, he deposited that money in another account of his at the Philadelphia National Bank (PNB) in Ardmore, Pa. He obtained the money in \$100 bills because he intended to deposit the money at the PNB for business purposes. U

Mr. DECKER did not know whether or not the \$100 bills he obtained from Girard Bank were in serial number sequence or not. He pointed out, however, that he did not obtain ten of the bills, and at the most, obtained only six. U

Mr. DECKER advised that the following individuals were unknown to him: U

FEDERAL BUREAU OF INVESTIGATION

Date June 29, 1972

On June 26, 1972, Mr. SILAS LEGION, Negro male, 4935 Reno Street, Philadelphia, Pa., was contacted at his home. He advised that he was a heavy equipment operator for the Hellmarck Construction Company of Philadelphia, Pa. Mr. LEGION has not been actively employed by Hellmarck for the past three months due to a back injury. He formerly resided in Detroit, Mich., and came to Philadelphia in 1956 and has resided in Philadelphia since that time. U

Mr. LEGION advised that he recalled cashing a check on or about April 5 at the Girard Bank in the amount of approximately \$2,500. Much of that money was received by him in \$100 bills. Mr. LEGION did not recall if the money was new, although he felt that some or all of it may have been in new bills. U

He stated that he could not recall at anytime paying anyone \$1,000 in cash in \$100 bills at one time. He stated that most of the \$2,500 he received from the Girard Bank had been spent by him for recreation and living expenses. Specifically, he noted that most of the \$100 bills were spent by him one at a time at the Liberty Bell Race Track in Philadelphia, Pa., in April and May 1972. U

Mr. LEGION advised that the following individuals were not familiar to him: U

Date June 29, 1972

On June 26, 1972, Mr. JOHN B. CARR, Negro male, 4545 Lancaster Avenue, Philadelphia, Pa., was contacted at his place of employment, The J. B. Carr Garage at the same location. He advised that he often obtained \$100 bills from the Girard Bank to pay his five employees and to pay numerous bills related to his business endeavors. He cannot specifically recall the number of \$100 bills that he would have obtained from the Girard Bank on or about April 5, 1972; however, he noted that he has never obtained new \$100 bills from the Girard Bank. He stated he is sure that he has never obtained new \$100 bills from the Girard Bank because to obtain the new bills, one must specifically request them.

Mr. CARR continued that his reason for obtaining \$100 bills was because he needed large amounts of cash, but needed the money in large denominations so that he could conceal the money on his person easily. He explained that concealing the money on his person was necessary because of the high burglary and robbery rate in the area where his business is located.

Mr. CARR advised that to the best of his recollection, he has never paid anyone \$1,000 in cash in \$100 bills.

Mr. CARR stated that the following individuals were unknown to him:

1. JAMES WALTER MC CORD, aka
Elwood Martin
2. BERNARD L. BARKER, aka

On June 26, 1972, Mr. FRED MC CURRY, white male, owner of the A-D Truck Rental, 3214 Germantown Avenue, Philadelphia, Pa., phone number BA 5-1281, supplied the following information: U

He frequently withdraws cash from the Girard Bank in \$100 bills. On a few occasions, he recalled obtaining new \$100 bills, although on most occasions, the bills he received were not new. He could not recall specifically obtaining \$100 bills from Girard Bank in April, although he suspected that he did so. He advised that he could not recall receiving more than ten \$100 bills on any one occasion, although he may have received that many. Mr. MC CURRY added, however, that if he did receive that many \$100 bills, he was sure that he had not given as many as ten \$100 bills to any one person or business since April of 1972. He concluded that he never records the serial numbers on any \$100 bills that he receives. U

Mr. MC CURRY advised that the following individuals were unknown to him: U

Remarks:

Specimen Q57 will be treated for latent fingerprints. The result of that examination and the disposition of this check will be furnished by a separate report.

Although limited known writing would not permit a definite conclusion being reached, significant characteristics, noted as the result of such examination as could be made, indicate that the Baldwin signatures on specimens Q6 through Q10 were probably prepared by ALFRED CARLETON BALDWIN, III.

Results of the examination:

The Barker signature on specimen Q57 was determined to have been prepared by BERNARD L. BARKER, the writer of specimen K9.

Characteristics in the endorsement on specimen Q57 indicate that this writing and the Leonard signatures on specimens Q31, Q44, and Q50 were probably prepared by the same individual. Characteristics in the Leonard signatures that could not be explained on the basis of the available known writings of suspects would not permit these signatures to be identified.

Because specimen K15 is, for the most part, hand printed, the amount of handwriting available for comparison with the questioned writings in this case is very limited. Because of this ALFRED CARLETON BALDWIN, III, could not be definitely established as the writer of any of the questioned writings.

Specimen K15 is returned herewith. Photographs of specimens Q57 and K15 have been retained.

MR. DONALD R. HEATH, 7318 Church Hill Road, Mc Lean, Virginia, phone 356-1498, was telephonically contacted at his residence. MR. HEATH advised he was formerly employed at the U.S. Embassy in Santiago, Chile. While attached to the U.S. Embassy, HEATH was introduced to JUAN R. RUIZ who was employed with the Santiago, Chile Police Department. HEATH returned to the United States in the summer of 1971 and sponsored RUIZ in order that RUIZ could come to the United States.

HEATH advised that RUIZ stayed at his residence from approximately August, 1971 to April, 1972 until RUIZ found an apartment in Montgomery County, Maryland. RUIZ desired to set up residence in Montgomery County in order that he could attend Montgomery College. HEATH advised that RUIZ currently resides at 26 Walker Avenue, Gaithersburg and is employed part time by the Regal Custom Cleaners of Maryland, Inc., 410 Hungerford Drive, Rockville, Maryland.

HEATH advised that while RUIZ was residing with him, he would provide him spending money. He advised that RUIZ worked part time as a yard man and was paid by check made out to HEATH. He advised the check was made out to HEATH as RUIZ is not a citizen and did not have a banking account and it would have been difficult for RUIZ to cash the checks. HEATH cashed the checks and gave the money to RUIZ.

Mr. JUAN R. RUIZ was contacted at his place of employment, The Regal Custom Cleaners of Maryland, Inc., 410 1/2 Hungerford Drive, Rockville, Maryland, and advised that he was formerly an officer in the Santiago, Chile Police Department, working in the Finance Department, Social Security and Retirement Service, from March, 1968, to July, 1969. He was befriended by one DONALD R. HEATH, who was then assigned to the U.S. Embassy, Chile. Mr. HEATH agreed to sponsor RUIZ in the United States and returned with him and was granted the use of a room in the HEATH residence located at 7318 Churchill Road in Mc Lean, Virginia, where he stayed from approximately August of 1971, until April of 1972.

Mr. RUIZ enrolled in Montgomery College, Rockville, Maryland, during the first semester of 1971 and it was during this time he became acquainted with JAMES WALTER MC CORD, JR., who was his instructor in the Industrial and Retail Security Course at that college. MC CORD took an interest in RUIZ and eventually told him that he would like to have RUIZ work in his office, which is Mc Cord Associates, during his spare time. RUIZ in about April, 1972, moved out of the HEATH residence and rented a room with Mr. and Mrs. HORACIO CHACON at 1712 Wilmart, Rockville, Maryland, doing so because his tuition at Montgomery College would be a lot cheaper if he were a resident of Montgomery County, Maryland.

He has since changed his residence to 26 Walker Avenue in Gaithersburg, Maryland, telephone 926-4144, and his landlady's name is Mrs. ENDORFER.

Mr. RUIZ said that he was employed for Mc Cord Associates from approximately February, 1972, until May 30, 1972, when MC CORD told him that it would be better for him if he obtained a work permit before he could resume employment with MC CORD. RUIZ said that he was paid about \$400 or \$500

for his services and that several checks he received were made payable to DONALD R. HEATH. He explained that this arrangement was agreed upon because RUIZ was not a United States Citizen and did not have a bank account in this area and it would be easier to turn the checks over to HEATH, who would then cash them for RUIZ.

~~CONFIDENTIAL~~

RUIZ said that he did general office work in MC CORD's office and organized the general files, which consisted of newspaper articles that were in some way related to Industrial Security. He said that they had another file in this office where association books were located. He also believed that this file consisted of records to be filed with the State of Maryland, Statutes of MC CORD Associates, and books about taxes and books concerning Industrial Security. These were all kept in a locked safe, and only MC CORD, his staff members, and the secretary, Mrs. TERRY SHEA, had access to the safe.

RUIZ had seen the following group of individuals on at least one occasion in the offices of the MC CORD Associates and he believed them all to be members of the staff:

Dr. EDWARD GUNN, Physician;
Dr. (FNU) GOLDBERGER, P.H.D.;
Dr. (FNU) STANTON, P.H.D.;
Mr. BILL SHEA, Engineer, husband of secretary;
Mr. (FNU) MUHLBACK (ph);
Mr. (FNU) GREEN, Comptroller of MC CORD Associates,
who was also a Lt. Col. in the U. S. Air Force;
Mr. (FNU) SCHOENFELD (ph);

RUIZ was shown the following group of photographs:

JAMES W. MC CORD; E. HOWARD HUNT; ALFRED CARLETON BALDWIN, III; GEORGE LEONARD; FRANK CARTER; RASUL GODOYN; GENE VALDES; ANGELO FRANK FIORINI.

RUIZ recognized only the picture of MC CORD and said that he had never seen or heard of any of the other individuals.

JOSEPH BOND GARVAN, President, J. Bond Garvan, Incorporated, Bond Park, Spartanburg, South Carolina, advised that he is treasurer of the Spartanburg, South Carolina, County Republican Committee to Re-elect President NIXON. He stated as such, he has been instrumental in raising sums of money in this regard. He stated that he is active in the Republican Party; and as such, has communicated with the National Office of the Committee to Re-elect the President in Washington, D. C. U

GARVAN related further that sometime in May, 1972, his Committee, which is made up of the Republicans in the County of Spartanburg, South Carolina, communicated through the use of the mails with the National Organization for the Committee to Re-elect the President in Washington, D. C. He stated that he, himself, wrote several letters to this Washington, D. C., headquarters office and was advised by them in the correct procedure for the disbursement of contributions collected towards the President's campaign. He stated that he and his local committee determined that there was too much red tape by working through the National Office; and they, therefore, decided to disburse the funds collected locally. He stated that the money which was in the bank as a result of the contributions in the area of Spartanburg County, South Carolina, was thereafter disbursed locally to the local Spartanburg Republican Party and to the South Carolina Republican Finance Committee. He stated that he had written the National Office in this regard; and some few days later, he received a telephone call from an individual identifying himself as GORDON LIDDY of the National Committee Office. He stated that LIDDY told him that they had incorrectly disbursed the funds and told him the correct way to disburse funds of this type. He stated that this necessitated a rather lengthy telephone call, and that this was the only telephonic contact he had with LIDDY. He recalled having made several telephone calls to the National Office on prior occasions; but on these occasions, he had talked to the secretary. U

GARVAN stated that he recalled hearing over the news media and reading in the paper the implication of this Committee.

~~CONFIDENTIAL~~ Date of transcription 6/28/72

PAUL DAIR was contacted at Ferris and Company, Stockbrokers, 1200 Wilson Boulevard, where he is employed. DAIR was informed of the identity of the interviewing agent and of the purpose of the interview; that is, his relationship to JAMES MC CORD and his knowledge of MC CORD's associates and activities. DAIR, who identified himself as a former Federal Bureau of Investigation (FBI) Agent furnished the following information:

He only met MC CORD once, this being approximately three weeks ago. This meeting came about as a result of a telephone call which he received from MC CORD at his home. MC CORD, during the conversation, told him that he might have something for him. DAIR, always interested in such a proposal, arranged to meet with MC CORD.

About a week later DAIR conferred with MC CORD in MC CORD's office at 17th Street, and Pennsylvania Avenue, North West, Washington, D. C. MC CORD told DAIR that he was looking for former FBI Agents and that he had gotten DAIR's name and other names from the society of former agents.

In "broad terms" MC CORD told DAIR that he wanted to use him on a part-time basis as a body guard for a highly placed member of the Republican Party. The salary mentioned by MC CORD did not interest DAIR.

At this point, DAIR became somewhat evasive and vague in responding to questions, and some questions he declined to answer. When pressed for specifics, he stated that following the interview with MC CORD (this interview was conducted solely between the two men with no one else taking part in it), DAIR met the highly placed Republican Party member in MC CORD's office and spoke to him about the job. This man wanted DAIR to act as his body guard, but DAIR "wasn't impressed" by the man nor was he interested in the salary.

When questioned regarding his duties as a body guard as well as the dates that he would be so employed and the area

in which he would perform them, DAIR was extremely vague and did not actually answer these questions. He mentioned that he was not interested in the offer and did not take it. U

MC CORD said that he did not want to name the highly placed Republican Party member, above mentioned, and throughout the interview he did not name this individual. The only thing learned was that this individual was "in government." MC CORD claimed that he had no information regarding who was to pay his salary if he accepted the above offer stating he did not ask who was to pay his salary. U

When questioned as to whether he was expected to carry a gun in connection with the body guard duties, DAIR said that this was not brought up and that he did not have a gun. DAIR remarked that he felt that this line of questioning seemed to him to be apart from the intent of the interview and that he did not want to get into this. U

DAIR reported that he has no knowledge of any of MC CORD's associates, and he said that he has not seen MC CORD since the above described conference with him. U

Mr. ROY L. DIBSON, 4607 Hamilton Drive, furnished the following information relative to his relationship with Mr. JAMES WALTER MC CORD:

He, DIBSON, retired from the United States Army as an E-6 after 20 years of service. He was separated from service at Aberdeen, Maryland, and while undergoing separation procedures he attended classes at the Education Center and had indicated that he would desire some type of security and/or Chauffer-type work when entering civilian life because that is what he did while in the military.

After he was discharged he obtained employment with Kiethley Plumbing and Heating Company at Aberdeen, Maryland, until October, 1971, when he was telephonically contacted by an individual identifying himself as JAMES MC CORD, who stated he had determined from an individual at the Pentagon, who advised him that DIBSON, when separating from the military, had indicated he would be interested in security and/or chauffer-type work. MC CORD advised there was an opening in this type of work with the Republican National Committee and the First National Bank at the bank building located at 1701 Pennsylvania Avenue, North West, Washington, D. C.

He accepted MC CORD's offer and commenced work during October, 1971. His duties at the Republican National Committee consisted of driving individuals, delivering items, et cetera and checking office spaces after working hours to see that papers, et cetera were not left on the desks. He also drove for the bank.

He terminated employment with the Republican National Committee because of personal differences with MARTHA DUNCAN, an Assistant to ROBERT OYDLE (phonetic), the Personnel Manager, on January 1, 1972, and worked full time for the bank until the last week of April or the first week in May of this year.

He is currently employed by Hennage Creative Printers located at 9th and H Streets, North West, Washington, D. C.

ployed as a Systems Application Engineer, Telcom, Inc.,

 was interviewed and furnished the following information: D.C. m-1.

He stated Diversified Products, Inc., deals in the sale and/or leasing of battery operated portable telephones, normally installed in automobiles. He originally met JAMES WALTER MC CORD in his (MC CORD's) office, Rockville, Maryland, in January, 1972, through BENJAMIN PEEK, Integrated Systems Technology, Garland, Texas, manufacturer of above-described portable telephones. At this time, MC CORD was considering buying or leasing a unit to be installed in one of the National Republican Committee's cars, presumably to be used by JOHN MITCHELL, Campaign Manager for the Re-election of President Nixon. This sale or lease was contingent on the committee's approval. At this time, PEEK left one of his units with MC CORD on a trial basis. He (DENHARDT) telephoned MC CORD on numerous occasions, but was told by MC CORD that the committee had not approved the purchase or leasing of the unit.

In February, 1972, he went to MC CORD's office and picked up PEEK's unit and left one of his units with MC CORD for further trial use, in hopes the committee would approve the purchase of same, which was in the amount of \$2,795.

He again returned to MC CORD's office in March, 1972, and picked up his unit, but MC CORD was not in at the time. He last talked to MC CORD about four weeks ago in an attempt to determine the status of the sale or lease of the unit. MC CORD was still noncommittal.

He has had no further contact with MC CORD since the burglary of the Democratic National Headquarters, Washington, D. C., and denied any prior knowledge of same. He also advised that the other subjects in this matter are unknown to him by true name or aliases.

HAROLD RAY LINAMEN, white male, date of birth February 27, 1922, Social Security Account Number 187-14-6967, 114 Curtis Drive, Dumfries, Va., 221-1896, furnished the following information:

He is employed as a plainclothes security officer at the Republican National Committee, 310 First Street, S. E., Washington, D. C., where he works the 5 p.m. to 1 a.m. shift from Monday through Friday, and the 9 a.m. to 1 p.m. shift on Sunday. He is the only security officer on duty during these shifts and is responsible for handling after hours telephone calls, checking individuals in and out of the building and general building security.

LINAMEN retired from the U. S. Marine Corps as a Master Sergeant, Service #332808, on December 17, 1971, and in September, 1971, prior to his retirement, entered his name on a federal job referral register for retired and ex-military servicemen. He indicated on that register that he was best suited for sales, security and management-type work. On March 8, 1972, subject JAMES W. MC CORD called him and told him that he had secured his name from this federal employment register, and asked him if he was interested in a position as a security officer. LINAMEN told MC CORD that he was interested and MC CORD subsequently interviewed him at what he believes is the Republican National Committee Headquarters, 1701 Pennsylvania Avenue, Washington, D. C., on March 9, 1972, and hired him. He started work on March 11, 1972, and is presently employed in the same capacity for which he was hired by MC CORD. He receives his paycheck from McCord Associates.

Since March 11, 1972, he has seen MC CORD approximately 12 times, usually in the early evening and has spoken on the telephone with him on numerous occasions. All of their conversations concerned the security of the Republican National Committee Building.

He advised that he does know subject FRANK FIORINI by the name FRANK STURGIS, mostly by reputation, from the U. S. Marine Corps. He believes that prior to 1958, STURGIS and

Mr. GALE advised that he had no knowledge of the breakin at Democratic National Headquarters at the Watergate Building in Washington, D. C. on the weekend on June 17, 1972, or the attempted bugging of those headquarters, other than what he had read in the newspapers. GALE advised that he is a volunteer worker for the Republican National Committee for the present time, and that he will begin full-time employment with the Republican National Committee on July 1, 1972. He was asked if he was involved with security arrangements with the Republican National Committee, and he answered that originally, he was supposed to handle security for the Republican National Committee, but that he had taken on other duties in "programming" for the Republican National Convention. He said that security duties currently are being handled by THOMAS G. MC ANDREWS, and that he, Mr. GALE, occasionally assists MC ANDREWS in these matters. GALE said that programming duties consist of making hotel reservations and handling administrative details for the Republican National Committee. *U*

GALE stated that he is an Executive Assistant to RICHARD HERMAN, who is Vice-Chairman in Charge of Arrangements, and that HERMAN, in turn works for ROBERT DOLE, Chairman of the Republican National Committee. GALE further advised that HERMAN is Chairman of the Board of Herman Brothers Trucking Company in Nebraska. He said he is well aware that bugging is a Federal violation with stiff penalties. He was asked if he ever discussed bugging with anyone, and he replied that electronic sweeps of Republican Offices were discussed some time ago as part of security measures; but to his knowledge, none were ever conducted, and he said he is not aware of any individual who could be hired to conduct such sweeps. *U*

the only Republican Office he has used is the National Republican Committee Office at the Seasons Hotel, 5005 Collins Boulevard, Miami, Florida. He said those offices were previously located at the Fountainbleau Hotel in Miami. U

GALE advised that he has read about the breakin at Democratic National Headquarters in the Washington Post newspaper, and he was shown the June 19, 1972, issue of the Washington Post which carried pictures of the five men involved. He said he did not recognize any of these men. He was then read the names of these five men and their aliases, and he advised he did not recognize any of those names. The names which were read are as follows: JAMES WALTER MC CORD, also known as EDWARD MARTIN; BERNARDO L. BARKER, also known as FRANK CARTER; EUGENIO ROLANDO MARTINEZ Y CREAGA, also known as EUGENIO R. MARTINEZ and GENE VALDES; FRANK ANTHONY FIORINI, also known as FRANK FIORINI, FRANK STURGIS, ATTILA FRANK STURGIS; and VIRGILLIO R. GONZALES, also known as RAOUL GOODY. Furthermore, GALE said he was not familiar with the name of EVERETT HOWARD HUNT, JR., who was allegedly connected with the above five men, and he said he was not familiar with the name of DOUGLAS CADDY, the Washington attorney representing the above five men. Mr. GALE stated that he could offer no speculation as to what these men were trying to do or for whom they might be working. U

Mr. GALE was asked if he had discussed the above breakin with anyone of the Republican National Committee and he said the only individual with whom he had discussed the matter was the above-mentioned RICHARD HERMAN; and that the discussion took place on the telephone on the morning of June 19, 1972. He said that Mr. HERMAN told him that he had no knowledge of the breakin other than what he had seen in the newspapers, and that he, like Mr. GALE, was at a loss to explain why these men had broken into Democratic National Headquarters. DONALD HENRY SEGRETTI, 14013 West Captains Row, Apartment 117 was advised of the official identities of Special Agents JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY. He was advised that he was being interviewed in connection with an investigation into the burglary of the Democratic National Headquarters, Washington, D. C., which occurred June 17, 1972.

He advised that he is an attorney, having received his law degree from the University of California at Berkeley in 1966 and having completed his undergraduate education at the University of Southern California. Following his graduation from law school he was drafted into the Army and subsequently received a commission due to the fact he was an attorney. He spent one year at the Judge Advocate General's School at Charlottesville, Virginia. He finished his tour of duty in September 1971, having spent his final years with the Army at Fort Ord, California. He came to Los Angeles and rented an office in the United California Bank building at Fifth and Figueroa, Suite 1625. In January 1972, he decided to take a rest and followed the primary elections across the country. Pursuant to this decision, he closed his law office and since that time he has been unemployed.

Since he is very much in favor of the re-election of President NIXON he felt that he could best work toward that goal by putting questions to Democratic candidates for the Democratic nomination whenever he had the opportunity, which would require them to discuss their feelings on issues on which their opinion is unpopular, or discuss their voting record on issues of interest to the people where they are speaking. As an example of this, he attended a rally in Miami, Florida, at the Sheraton Four Ambassador Hotel at which Senator MUSKIE spoke. The floor was open to questions, and he asked the Senator about his reasons for voting against the "space shuttle" project, a Federal program which would have been very helpful to the economy of Florida, and the defeat of which was a disappointment to many Floridians.

Interviewed on 6/26/72 at Marina Del Rey, California File # Los Angeles 139-306
by SA's JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY/RHP/rd1 Date dictated 6/28/72

2
LA 139-306

The purpose of the question was to draw attention to the fact that Senator MUSKIE had voted against the program, hence, causing embarrassment to the Senator. U

Sometime around February 1972, he received a telephone call from an individual who identified himself as ED WARREN. This individual indicated that he was aware of SEGRETTI's interest in political affairs. WARREN advised him there was going to be a rally for Senator MUSKIE in Miami, Florida, in a couple of weeks, and he furnished this information to SEGRETTI in case SEGRETTI were interested in going to the rally. No offer to provide for his expenses was made by WARREN. U

About two weeks later he flew to Miami and upon his arrival he rented a room in a motel on Biscayne Boulevard, the name and address of which he cannot recall. He believes that it was a two-story building. While sitting by the pool a cab drove up, and the passenger approached him, identifying himself as ED WARREN. The two went to SEGRETTI's room and talked for about ten minutes. This conversation concerned SEGRETTI's political attitudes. At this meeting WARREN furnished SEGRETTI with a telephone number where he could be reached. This telephone number is (202) 293-2746. SEGRETTI has called this number several times, dates unrecalled, and on all but one occasion WARREN has answered the telephone. On one occasion a female answered the telephone. He last called this number about three months ago to find out from WARREN what was happening. U

It was during this visit to Miami that SEGRETTI asked Senator MUSKIE about his vote against the "space shuttle" program. SEGRETTI advised that at no time has he ever been given assignments, instructions, or directions by WARREN or any other individual regarding his political activities. He has initiated all his travel and activities with respect to the Democratic primaries himself. He has used his own funds for the most part to finance his travel, and has received some money from people involved in politics whose identities he does not wish to disclose. The amounts

3
LA 139-306

received have been \$100 or \$200 at a time and the total has been approximately \$1,000. He is completely willing to cooperate regarding the investigation into the burglary of the Democratic National Headquarters, although he has no knowledge of this event outside of what he has read in the papers and heard on the radio, but he feels that disclosing the names of people who have provided him with money to help support his travel would "throw a red herring" into the investigation. U

He believes that he knows who provided WARREN with his name and telephone number, but this person is a personal friend, and is also involved in politics, and disclosure of his name would only cause embarrassment to this individual, and would not assist in the investigation. He insisted that his unwillingness to disclose the identities of these individuals is strictly based on his belief that they could not possibly have anything to do with this investigation. He advised that he would contact these people and determine from them whether they are willing to have him disclose their identities. U

About a month to six weeks ago, he took a second trip to Miami to make arrangements for counterdemonstrations in support of the Administration's policies at the Republican Convention, in the event there are demonstrations in opposition to Administration policies when the convention is held. Prior to this trip, he received a telephone call from WARREN who advised him that he would be staying in a particular room in the Sheraton Hotel during the time SEGRETTI was planning to be in Miami, and he indicated that he would like to see SEGRETTI. Upon arriving in Miami, SEGRETTI went to the Sheraton Hotel and met with WARREN. He does not recall the room number but believes that it was on about the seventh floor, and he is sure that it was in the south tower of the building. At this meeting, they talked about the upcoming convention but he does not recall the specifics of this conversation. During this visit with WARREN, which lasted about ten minutes, he made a point of paying close

attention to WARREN's appearance and he noticed WARREN was wearing a ring, but he cannot recall anything about the ring, or on which hand or finger it was worn. During this visit to Miami, he stayed in a motel other than the one he had stayed in previously, and he thinks it may have been a Holiday Inn.

He has visited Chicago and Milwaukee during the time of the primary campaigning in Illinois and Wisconsin. He also went to Whittier, California, when Senator MUSKIE was speaking there and distributed leaflets regarding MUSKIE's position favoring abortion, realizing that this position was unpopular to the students to whom Senator MUSKIE was speaking. He considers his function at these rallies to be that of an organizer who gives direction to people who support the President's policies but who lack direction; however, his activities in this regard are a result of his own initiative and are not conducted as a result of any instructions or directions given to him by anyone else.

During one of his conversations with WARREN, he asked WARREN who he was and who he represented, and WARREN told him he should not ask such questions. As a result of WARREN's reaction he has always dealt with WARREN at "arm's length". If WARREN had ever indicated his connection with any illegal activities, or if WARREN had ever asked him to do anything which he considered to be illegal he would have severed his relationship with WARREN and avoided any future contact with him.

Approximately one or two days prior to the disclosure of President NIXON that the Haiphong Harbor had been mined and other actions had been taken to cut off supplies to North Vietnam, he received a telephone call from WARREN in which WARREN advised him that there might be some demonstrations conducted in the near future in opposition to one of the President's policies. WARREN indicated that he was apprising SEGRETTI of this to give him an opportunity to consider what he might do to support the policies of the

5
LA 139-306

President. WARREN did not explain what he was talking about and SEGRETTI did not ask him, but within a day or two following this telephone call the President announced the action he had taken. U

Prior to learning of the burglary of the Democratic National Headquarters in Washington, D. C., from the reports he heard on the radio and read in the newspaper, he was unaware of the burglary. He has no personal knowledge of anything connected with the burglary, and everything he knows about the burglary he has learned from the information published by the media. He is personally shocked by the burglary, and would never involve himself in any such activity. J

He advised that his uncle, SISTI SEGRETTI, is engaged in the practice of law in Salinas, California, in the firm of Segretti and Pittman. Although his uncle offered him a position with the firm upon his completion of military service he declined this offer. A

He was unaware of the visit of LAWRENCE O'BRIEN Chairman of the National Democratic Party, to Los Angeles on April 13-14, 1972, and again on April 27-30, 1972. He was also unaware of the visit of L. PATRICK GRAY, Acting Director of the Federal Bureau of Investigation, to Los Angeles on June 16, 1972. } DC

He has been living during the past nine months on money which he saved during the four years he was in the Army. During the time between September 1971 and January 1972, when he was engaged in the practice of law in Los Angeles, he did not do very well financially, but the law practice was not a losing proposition. U

He furnished the following description of
ED WARREN:

DONALD HENRY SEGRETTI, 14013 West Captains Row, Apartment 117, was reinterviewed by Special Agents JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY. He advised that he had contacted the people who had furnished him with some financial assistance to help him pay for his travels in connection with the Democratic primaries, and he had also contacted the people who he believed had furnished his name to ED WARREN. Although he was unable to get in contact with all of the people, those he was able to contact indicated that they did not wish to have their identities disclosed. He explained that some of these people are prominent political figures and his relationship with them is not germane to this investigation in his opinion. If he felt that there were any possibility disclosure of their identities could be of value in this investigation he would not hesitate to reveal their identities. He indicated that it was possible that more than one person had provided him with some money to support his travel to states where primaries were being conducted. Some of these contacts are based on old friendships. If he could see some relevance to the disclosure of their names, he would do so. These people are prominent and would never be involved in anything like the burglary of the Democratic National Headquarters.

He advised that during the primary campaigning he traveled to Miami on two occasions, to Chicago on one occasion, to Milwaukee on one occasion, and to New Hampshire on one occasion. He did not travel to Ohio, Indiana, or Oregon, because he felt that these primaries were not of as much importance as the others.

He again said that he wanted to make it clear that he has never been given any direction by anyone with respect to his activities during the state primaries across the country.

He indicated that he has no source of income outside of his legal practice, and has not received any fees for

legal advice since he closed his office in January 1972. His parents are not in the position to support him, and at most they have only given him a few dollars from time to time. He is currently living on money which he saved while he was in the Army.

He owns two vehicles, a Ford Mustang, which he is in the process of selling, and a 1969 Mercedes Benz 280 SL, which he recently purchased.

On Friday evening, June 16, 1972, he was with JEANETTE LATINI, whose telephone number is 874-4876. Saturday evening, June 17, 1972, BURT WARD, who played the part of "Robin" on the ABC television series "Batman", visited him in his apartment between about 6:00 p.m. and 7:30 p.m. to discuss a product WARD was interested in having manufactured and marketed. On Sunday, June 18, 1972, he visited with several individuals, including BARBARA SLAVIN, whose telephone number is 821-0082.

It is noted that throughout the above reported interview, SEGRETTI would not recall exact names, times, or places, and supplied only the sketchiest outline regarding his activities despite intensive and in-depth questioning.

FEDERAL BUREAU OF INVESTIGATION

Date 7/7/72

REX ROTH, Head of Internal Security, Aetna Life and Casualty, Asylum Avenue, advised that on October 26, 1971 ALFRED CARLETON BALDWIN was referred to him by one WILLIAM COLEMAN in the personnel department who had given BALDWIN the application. On November 1, 1971 ROTH interviewed BALDWIN for a position in his Internal Security Section of Aetna. ROTH stated that he did not recommend BALDWIN for a position because he felt BALDWIN "talked too much" and "had too big a mouth" inasmuch as he spoke constantly about himself and his exploits in the security field.

ROTH advised that BALDWIN had previously been employed at the Adley Express Company, Chapel Street, New Haven. ROTH stated he called a JERRY WIEMAN of Adley Express Company to determine the reason for BALDWIN's termination there and was unable to find this out from WIEMAN. ROTH then spoke to one GEORGE GROVES, presently with Acme Fast Freight, New York, who stated that BALDWIN was unable to take orders and was too much of an independant type of person. He was in that section of the company which investigated thefts from shipments. GROVES stated it became a matter of "who was the boss."

ROTH also talked to one FRED STRINSIC or STRINIE, Director of Claims at Adley Express Company. This individual advised that BALDWIN resigned from Adley because of a difference of opinion. STRINIE also advised that BALDWIN had done a good job for the company on a case in Baltimore, but usually he did not do a whole job for the company, apparently only doing the things he wanted to do.

ROTH also advised that BALDWIN had told him during the interview that he had been in real estate. ROTH could not supply any further details in this matter.

The Aetna application form reflects BALDWIN has held the following jobs.

FEDERAL BUREAU OF INVESTIGATION

1Date 7/6/72

IRVING SCHWARTZ, Chief Clerk, 6th Circuit Court, 169 Church Street, New Haven, Connecticut, telephone number 777-7231, advised that ALFRED BALDWIN was permanently employed as an assistant clerk in 6th Circuit Court from October 7, 1966 to January 26, 1967. He believed that BALDWIN was also temporarily employed in same capacity during the summer of 1966.

He advised that BALDWIN handled mostly criminal cases and performed his duties intelligently. He stated BALDWIN did his work well and that he would re-hire him if he wanted to come back. He recalled that at that time BALDWIN was studying to take the Bar Examination, which he failed twice.

He advised that about January, 1972, BALDWIN called him to ask if he would give him a recommendation for some position. He told BALDWIN that he would. However, he never received a communication from any firm requesting a recommendation or verification of BALDWIN's employment.

FEDERAL BUREAU OF INVESTIGATION

Date June 29, 1972

Attorney WILLIAM C. LYNCH, suite 408, 152 Temple Street, advised he is an active member of the New Haven, Connecticut, chapter of the Society of Former Special Agents of the FBI, Inc., and met ALFRED C. BALDWIN at a New Haven Chapter meeting in 1966 shortly after BALDWIN had terminated his employment as a Special Agent of the FBI. U

BALDWIN told LYNCH he eventually wanted to practice law but had not passed the Connecticut Bar examination. LYNCH learned that shortly thereafter BALDWIN had obtained a job as a clerk in the Sixth Circuit Court, State of Connecticut, New Haven, and LYNCH assumed BALDWIN had taken this job in order to prepare himself for the bar examination. BALDWIN deferred taking the examination, and LYNCH and other members of the former agents' group chided BALDWIN for working in a minor position instead of taking advantage of his law degree and FBI experience to obtain a better job. U

Several months later, BALDWIN asked LYNCH to intercede on his behalf in obtaining an instructor's job at the University of New Haven, West Haven, Connecticut, which LYNCH did. BALDWIN remained at this job for one half of a year and then obtained employment in the Security and Claims Department of the Adley Company, a trucking firm in Orange, Connecticut. This job required considerable travel on BALDWIN's part and LYNCH last knew him to be employed by Adley. U

LYNCH advised BALDWIN jumped from job to job, had trouble in "catching on," and seemed to lack direction. He described BALDWIN as a naive, impressionable person who lacked "sticktoitiveness" and who was, to a certain extent, immature. LYNCH said that on the positive side, BALDWIN makes a nice appearance, is alert and enthusiastic. He stated he had no reason to question either BALDWIN's moral character or loyalty to the United States. U

LYNCH concluded that he last saw BALDWIN about one year ago and knows nothing of his activities since that time. U

Dear Mr. Andrews:

Pursuant to a conversation had this date with Mr. Gaffney I am enclosing herewith a copy of my resume for your review and file. The purpose of my conversation with Mr. Gaffney was to inform him of my desire to obtain employment with the State of Connecticut in whatever capacity my qualifications could be best utilized. He recommended that at this time I forward the enclosed.

It is my understanding that possibly an employment opportunity may exist where the requirement is that the applicant have a law degree, which I possess, however, please be advised that at this time I am not admitted to the Connecticut Bar.

Awaiting your favorable reply I remain.

Very truly yours,

Dear Dan:

In response to our telephone conversation the other day I have enclosed herewith a copy of my resume.

Also, now at this time I can state that I was wrong in my belief that Brian Gaffney was in law school with us. The Gaffney that attended Connecticut Law with us is in no way related to Brian. Thus Dan I am totally dependent on you to, if possible, assist me in forwarding my resume to Mr. Gaffney. As we discussed the other day the position I would be most interested in would be in security such as with the raceteack commission or some other related field, however, if there is any other position with the State where my qualifications could be utilized I would consider same. Also, I well realize that my salary qualifications may not be in line and thus can state that I am not firm on this point.

Taking this opportunity to thank you Dan and looking forward to seeing you at the next ex-agent meeting I remain.

February 10, 1972

Very truly yours,

Alfred C. Baldwin

Re: Alfred C. Baldwin

Dear Brian:-

Enclosed herewith is a letter I received from Alfred C. Baldwin of 90 Mt. View Terrace, Hamden, Connecticut 06517.

I have known Al for the past few years since we are both members of the Society of Former F.B.I. Agents. He is a Republican and has been involved in some party activities, I believe in Hamden although it could have been at an earlier address (I recall discussing politics with him a few years ago). He is related to Ray Baldwin. As you undoubtedly know, the F.B.I. gives its agents a most extensive, intensive and expensive training program. Al could not be a member of our former agents society had he not left the Bureau under the most honorable circumstances. From a review of the enclosed resume it is obvious that his marital problems have caused him to change jobs rather frequently but those marital problems are now at an end.

Highly trained competent investigators are not readily found. I do not know the areas of state employment that are now open but Al is highly qualified in the fields of investigation, security and instruction and if there is an opening in the state in any of these areas, here is a life long Republican who can do the job.

I will appreciate your consideration of Al when you review the various job openings that may come to your attention. If you would like to talk to Al you can reach him at 203-248-5764.

SAMUEL W. DASKOM, General Manager, F. G. Mason Engineering Company, 1700 Post Road, advised that Mr. FRANK G. MASON, President of F. G. Mason Engineering, is presently on vacation in Europe. DASKOM said he would give all information to the FBI about JAMES WALTER MC CORD that the company had.

Mr. DASKOM stated he does not know MC CORD although MC CORD has done business with F. G. Mason. The F. G. Mason Company was contacted by MC CORD about the A-2 system which is made by the Mason Company. The A-2 is a counter measure device for finding eavesdropping transmitters. MC CORD has the A-2 and Mason arranged to let MC CORD make monthly payments. The A-2 costs \$6700.00 and is not classified. Other than the purchase of the A-2 system, MC CORD has had no dealings with F. G. Mason.

DASKOM made the following documents available from MC CORD's file at F. G. Mason Company. The originals are maintained at the F. G. Mason Company and a subpoena duces tecum for these documents should be directed to DASKOM or FRANCIS G. MASON.

Dear Frank,

Thank you for your recent letter and literature regarding the A-2. I anticipate that we will be placing an order for one of the new A-2's shortly, and we would appreciate receiving the price quotation with terms extending through October 1972, as you mentioned in your letter, i.e., the down payment, the monthly terms with interest, etc. I also anticipate that we will be sending one of our people to your plant for the training.

It was good to hear from you again and would always look forward to seeing you when you are in Washington.

With best regards.

Sincerely,

Jim

Dear Jim,

Sorry for the delay in answering your letter. In regard to a A-2 payment plan, I suggest the following: 10% upon receipt of the equipment and 10% / month for the next nine months payable on the first of each month, no interest to be charged. This may extend beyond Oct 1972 depending on the starting time, however this is OK with us. We have some units on the shelf now and could deliver one immediately if you wish.²² Please let me know if

These terms are satisfactory. If not I'm sure
we can adjust them. Please keep these
payment terms private as we are not
offering them to anyone else.

~~How are things going~~

I hope your new year is prosperous
and that things go well for you.

MICHAEL DRAGO who resides at 465 Mix Ave., Hamden, Connecticut, and who is unemployed advised he first met ALFRED BALDWIN approximately two years ago when both participated in an ocean cruise for single adults. DRAGO said he maintained periodic social contact with BALDWIN following the cruise. He stated he had not seen BALDWIN since October of 1972 when approximately two weeks ago he ran into him by chance in the cocktail lounge of the 95 Steak House Restaurant, State St., North Haven, Connecticut. At this time he and BALDWIN discussed their mutual social activities and their meeting lasted only a brief period. DRAGO recalled that he had heard through a mutual friend, ROBERT MIRTO that BALDWIN was working for "MARTHA MITCHELL", however, made no mention of this when they were together at the 95 House Restaurant. DRAGO stated that on the evening of June 17, 1972, he went to BALDWIN's residence at 90 Mountainview Terrace, North Haven, to show BALDWIN a new motorcycle. DRAGO stated that during the afternoon of Wednesday, June 21, 1972, he stopped at BALDWIN's residence, 90 Mountainview Terrace, however BALDWIN was not at home and BALDWIN's mother indicated that ALFRED BALDWIN had gone to DRAGO's home at 465 Mix Ave., Hamden. DRAGO called his home, however, BALDWIN was not there and they did not get together at anytime on June 21, 1972.

On June 22, 1972, BALDWIN called DRAGO at his residence requesting that BALDWIN help him cut some wood on his saw in the basement in the afternoon, as BALDWIN was constructing a recreation room in the basement of his mother's home. BALDWIN came to the DRAGO residence during the afternoon of June 22, 1972, and they were together for sometime, however, at no time did BALDWIN discuss his employment. DRAGO said that he was under the impression that BALDWIN is residing with his mother at 90 Mountainview Terrace, North Haven, Connecticut, and does not maintain any other residence. He stated he has no first hand knowledge

On June 28, 1972, Mrs. CAROL ROTMAN, 147 Lakeside Drive, Guilford, Connecticut, furnished the following information to Special Agent ROBERT A. DUFFY:

She recalls AL and GEORGIANNE BALDWIN as residents of 195 Lakeside Drive, Guilford, for approximately two years. They left in approximately January, 1969, and she does not know their present whereabouts. She has heard that since they left Guilford they have been divorced. They had very little association with anyone in the neighborhood and kept to themselves. She believed that he was employed in some capacity for a trucking company, and that on many occasions he was away overnight, apparently in connection with his employment. She also believed that while in Guilford, Mrs. BALDWIN had some type of part-time employment, possibly as a baby sitter, but she did not know the identity of the person that employed Mrs. BALDWIN. She believed AL BALDWIN was a former Special Agent of the Federal Bureau of Investigation (FBI).

EDWARD and BEVERLY GARDINER, 181 Lakeside Drive, Guilford, Connecticut, were the next door neighbors of the BALDWINS. The GARDINERS are presently out of town and will not return until June 29, 1972. The GARDINERS had difficulty with the BALDWINS over property lines, and also because of some dogs owned by the BALDWINS. She believes the GARDINERS are the only ones in the area that could furnish any information concerning the BALDWINS.

On June 28, 1972, Mrs. ELEANOR MC KERNAN, 135 Lakeside Drive, Guilford, Connecticut, advised Special Agent DUFFY that she recalled AL and "GEORGIE" BALDWIN as residents of Lakeside Drive for about two years, and that they moved out over three years ago. She was unaware of the employer of AL BALDWIN during his period of residence. She believed that Mrs. BALDWIN might have some type of part-time employment during their period of residence on Lakeside Drive. She only had occasion to talk with them on a couple of times, and could furnish no additional information.

Date: July 3, 1972

Re: JAMES WALTER MC CORD, JR.; et al.

JUNE 17, 1972;
IOC; MIREP - MIREP

FBI File No. 139-4089
Lab. No. D-720703001 IK

Specimens received 7/1/72

- Q45 Envelope postmarked "WASHINGTON, D. C. 4A DEC 20 1971" bearing the typewritten address "Mr. Jack Bauman 600 Lake Martha Drive, N. E. Winter Haven, Fla. 33880"
- Q46 Accompanying typewritten note dated 12/20/71 beginning "Jack: I'm going to be down in Fla. a few days after Xmas..." signed "Howard"
- Q47 Envelope postmarked "Washington, D. C. DEC 21 1971" bearing the typewritten address "Mr. Jack Bauman 600 Lake Martha Drive, N. E. Winter Haven, Florida, 33880"
- Q48 Accompanying typewritten note dated 12/21/71 beginning "Jack: Wonder if you know this fellow..." signed "Howard"
- Q49 Typewritten letter on "HOWARD HUNT" letterhead stationery dated 1/14/72 beginning "Dear Jack: I received your letter with far more regret..." signed "Howard"

ALSO SUBMITTED: Resume of employment qualifications and work experience of Thomas C. Amato

Results of the examination:

It was determined that the typewriting on specimens Q45 through Q48 was prepared on a typewriter equipped with Royal pica type, the letters of which are spaced 10 to the inch. In addition to Royal typewriters, this style of type has been used on Singer Professional portable typewriters. It was further determined that the typewriting on specimens Q45 through Q48 was all done on one typewriter.

~~CONFIDENTIAL~~

It was determined that the typewriting on specimen Q49 also was prepared on a typewriter equipped with Royal pica type, the letters of which are spaced 10 to the inch. The typewriting on specimen Q49 was prepared on a typewriter different from that employed in the preparation of the typewriting on specimens Q45 through Q48.

The typewriting on specimens Q45 through Q49 was not prepared on the typewriter designated K1 or on the typewriters employed in the preparation of specimens K7 and K8.

Although limited writing and the presence of some variances would not permit a definite conclusion being reached, characteristics were noted which indicate that the signatures "Howard" on specimens Q45, Q48, and Q49 may have been prepared by the same individual.

The writings on specimens Q46, Q48, and Q49 are not sufficiently comparable with the writings on specimens Q1 through Q44 or with the available known writings of suspects for a satisfactory examination.

~~CONFIDENTIAL~~

The following investigation was conducted at St. Petersburg, Florida, by SA LARRY L. HOFMEISTER on June 29, 1972:

A review of the current Hill-Donnelly Criss-Cross Reference Directory for St. Petersburg, Florida, reflects that telephone number 392-4190 is subscribed to by the Sunny Shores Apartments, 14450 Gulf Boulevard, Madeira Beach, Florida, but billed to PEARL E. STEWART. This directory further indicated that telephone number 544-5931 is subscribed to by JACK STEWART, 8075 - 48th Avenue North, St. Petersburg, Florida.

Mr. FRANK MOSS, Records and Identification Division, St. Petersburg, Florida Police Department, advised that his records reflect no information identifiable with JACK STEWART at the above address. He indicated, however, that his records did reflect an application for a liquor license made by PEARL (TOLE) STEWART in 1954. PEARL STEWART was identified as a white female, born September 8, 1898, and at that time resided at 5437 DeLette Avenue South, Gulfport, Florida.

Mrs. STEWART further advised that her son served in the Army Air Corps during World War II and was assigned to a radar post with the Signal Corps. Subsequent to military service, JACK STEWART worked for Zenith radio for a short period of time.

Mrs. STEWART continued saying that her son is 55 years of age and currently resides at 8075 - 48th Avenue North, St. Petersburg, Florida. Mrs. STEWART advised, however, that JACK left the St. Petersburg area on June 10, 1972, and is currently staying with Mr. EARL WILLIAMSON in Vienna, Virginia, telephone number 580-5850, where he is assisting WILLIAMSON in packing household belongings for an anticipated move to the State of Florida.

DETAILS:I. INVESTIGATION PRIMARILY CONCERNING
EUGENIO ROLANDO MARTINEZ

By communication dated June 26, 1972 the Miami Division of the Federal Bureau of Investigation (FBI) advised that a toll charge was made against the telephone of E. ROLANDO MARTINEZ for a call to telephone number 920-3811 on March 31, 1972. This telephone number was determined to be subscribed to SAMUEL SCHIENER, 3725 Ocean Drive, Hollywood, Florida.

The following investigation was conducted in an effort to locate and interview SCHIENER at Harrison, New York:

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 7/3/72

Mrs. NATALIE MARTINENGO, 21 Iroquois Trail, Harrison, New York, the wife of GEORGE MARTINENGO, advised that she is the daughter of SAMUEL and CEIL SCHIENER and that her father actually owns the house at 21 Iroquois Trail.

SAMUEL SCHIENER and his wife are now on their way to their home at 3725 Ocean Drive, Hollywood, Florida, where they are expected to arrive on June 29, 1972. SCHIENER is past seventy years of age and has suffered several heart attacks in the past. He is a retired operator of garages in New York City and at one time operated the Sterling Garage at East 80th Street.

Mrs. MARTINENGO advised that she is completely familiar with her father's affairs and that she does not recognize the names or aliases of any of the persons apprehended at the Headquarters of the Democratic Party on June 17, 1972 in Washington D.C. Her father is not politically active and has never been. She is sure that her father will not be familiar with any of these names. During March, 1972 she was at her father's home in Hollywood, Florida and has no recollection of a telephone call from EUGENIO ROLANDO MARTINEZ. She observed that her mother has had considerable difficulty with the Florida Telephone Company in that they were charging her for telephone calls which she had never made. Mrs. MARTINENGO's husband is an Italian National and is a maritime engineer.

II. INVESTIGATION PRIMARILY CONCERNING
JAMES WALTER MC CORD, JR.

By communication dated June 26, 1972, the Washington Field Division of the FBI advised that on April 25, 1972, JAMES WALTER MC CORD JR. had contacted RICHARD NAHER, a former FBI Agent in regards to possible employment as a personal bodyguard for MARTHA MITCHELL and other security-type positions. MC CORD advised NAHER that he obtained his name from the Society of Former Special Agents of the FBI located in New York City. MC CORD also advised NAHER that five former FBI Agents and former Central Intelligence Agency (CIA) Agents were being considered for jobs in this regard.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 7/5/72

Mr. SCUDDER D. KELVIE, Executive Chairman,
Society of Former Special Agents, of the Federal Bureau of
Investigation (FBI), advised that Mr. JAMES WALTER MC CORD
appeared at the Society's office located 401 Seventh Avenue,
New York City on either April 24th or April 25, 1972. He believes
the exact date to be April 24, 1972. Mr. MC CORD spoke to
Miss FRANCIS KEOGH, the Society's secretary. She referred MC
CORD to him. N/1

Mr. MC CORD appeared at his office, at the Franklin
National Bank, 139 Pearl Street, New York City on the same
date.

MC CORD stated to him that he was presently employed
as being in charge of security operations for the Committee
to Re-elect President Richard Nixon. He wished to obtain
names of several former FBI Agents whom the committee could
employ in the capacity of body guards for government officials
and for other security-type positions.

Mr. KELVIE advised he questioned MC CORD what
"other security type positions" would entail. MC CORD would not
furnish a definite answer and appeared to avoid a direct
statement to his inquiry.

Mr. KELVIE, knowing that MC CORD was also a member
of the Former Agents Society provided him with a list of
the entire membership in the society. MC CORD thereafter
proceeded to review this list and chose the following former
Special Agents:

He stated that the investigation of this company is conducted by Fidelisacts/Metropolitan New York Incorporated (Inc.) which is located at 151 Hempstead Turnpike, West Hempstead, New York.)

KLEBAUR related that his company was interested in locating a responsible individual in the Washington D.C. area to either takeover a franchise of Fidelisacts or to handle investigation on a contractual basis. He stated that in the course of endeavoring to locate an individual for this purpose he was furnished the name of JAMES WALTER MC CORD JR. by a former Federal Bureau of Investigation (FBI) agent or Central Intelligence Agency (CIA) agent.

On June 1, 1972 KLEBAUR met JAMES WALTER MC CORD JR. in the office of "The Committee to Elect the President", third floor, 1701 Pennsylvania Avenue, Washington D.C., where MC CORD indicated he was employed. The purpose of this meeting was a "feeling out" interview to determine whether MC CORD qualified to handle a franchise for Fidelisacts. This meeting did not produce any definite results and terminated with the understanding that further negotiations would be had.

KLEBAUR stated that on June 6, 1972, he telephonically spoke with MC CORD concerning the above matter, however, nothing was resolved and the matter was left as still pending. This Fidelisacts report set forth background information on HOOK which was obtained from "Whose Who".

NORTON during his discussion with MC CORD learned that the latter resides on Winder Court, Rockville, Maryland, telephone 762-7678. MC CORD furnished him his following business addresses:

ALEX E. BROCK, State Director, State Board of Elections, Raleigh, North Carolina, was interviewed at his summer cottage, Ocean Drive Boulevard, at which time he advised he had received numerous long-distance telephone calls at the office of the State Board of Elections, Raleigh Building, Raleigh, North Carolina, from a male and a female individuals representing themselves as being affiliated with the Committee for the Re-election of President Nixon and he did not know the identities of these individuals. He stated he received several calls monthly and they were all of a normal political inquiry type; that is, these individuals desired information concerning the political picture of North Carolina at a particular time, racial breakdown of the state, number of young registrants, number of new registrants, and information of that nature. At no time were there any calls made to his office that were not of this normal political information inquiry type. u SC

Mr. BROCK advised he obtained the opinion from his conversations with these two individuals that they were affiliated with different sections of the Committee as one would call a day or two after the other one had called and ask the same type of questions. When he called this to their attention, the remark was made they were affiliated with another section of the Committee. u

In March, 1972, he recalls that several calls were made concerning the American Party and GEORGE WALLACE and parties wanted to determine if GEORGE WALLACE could legally run under a third party ticket in North Carolina. u

Mr. BROCK advised he was not acquainted with any of the individuals alleged to be connected with the burglary of the Democratic National Headquarters at Washington, D.C., any suspects in this matter, and he had no information concerning the burglary itself. u

71a On the morning of June 30, 1972, Attorney MIGUEL A. SUAREZ advised that during the previous evening he had overheard a conversation in which it had been indicated that HUMBERTO LOPEZ and ANGEL FERRER, both of Miami, had possibly accompanied BERNARD L. BARKER and others, whose identities SUAREZ did not learn, on at least one trip to Washington, D.C. during early May, 1972. SUAREZ furnished this information in compliance with a previous request made of him to advise the identity of any of BARKER's associates in Miami who may have accompanied BARKER to Washington, D.C. or elsewhere outside Florida. gla
D.C.

SUAREZ advised that the headquarters for Partido Revolucionario Cubano-Autentico, in which HUMBERTO LOPEZ is quite active, is located next door to BARKER's realty company. He said LOPEZ is employed at the Suave Shoe Company in Miami, pointing out that HUMBERTO LOPEZ should not be confused with a former Suave Shoe Company official by the name of LOPEZ. He advised that LOPEZ and FERRER were featured some three or four months ago on the front page of a Cuban magazine "Replica", a copy of which SUAREZ did not have available. DC

In response to a specific question, SUAREZ gla advised that he is well acquainted with REINALDO PICO Ver RAMON, a salesman for Replica, who is known to travel frequently between the U.S. and Venezuela. SUAREZ said since he was in Washington, D.C. to testify before the Federal Grand Jury earlier during this week, he did not know of REINALDO PICO RAMON's current whereabouts or whether or not PICO had made trips to Washington, D.C. or elsewhere outside Florida with BERNARD L. BARKER and the other individuals recently arrested with BARKER in Washington, D.C.

Business employees and associates of subjects BARKER, GONZALEZ and STURGIS interviewed and unable to furnish any pertinent information. A review of photographic copies of BERNARD BARKER's address book found in his possession at time of arrest reflects possible identity of JOSE PIEDRA as FELIPE DE DIEGO, salesman, at Barker Associates, Inc., and identity of JOE GRANADA as REINALDO PICO, a public relations man and reporter for "Replica", a Miami publication. REINALDO PICO currently reported in Caracas, Venezuela. FELIPE DE DIEGO interviewed, admitted use of alias JOSE PIEDRA and admitted making trips to Washington, D.C. over periods 5/3-4/72 and 5/22-30/72. DE DIEGO advised identity of ten individuals who made trip to Washington, D.C. over 5/3-4/72 to pay respects to deceased FBI Director, J. EDGAR HOOVER. Group also initiated an altercation with "hippie" demonstrators outside Capitol Rotunda on 5/3/72. BERNARD BARKER financed this trip of ten individuals and furnished aliases used on airline tickets. DE DIEGO identified other nine travelers as BERNARD BARKER, ROLANDO MARTINEZ, VILLO GONZALEZ, FRANK FIORINI, REINALDO PICO, and four other Miami Cubans, namely HUMBERTO LOPEZ, PABLO FERNANDEZ, ANGEL FERRER and HIRAM GONZALEZ. Latter four interviewed and verified purpose of 5/3-4/72 trip as stated by DE DIEGO. DE DIEGO advised that on 5/22/72, BARKER brought a group

JOHN RAMOS, 100 N.W. 57th Court, Miami, advised that he is a real estate salesman and worked with BERNARD BARKER at the Marx Real Estate Firm for about six months. RAMOS left Marx with BARKER and was a partner in the formation of Barker Associates, Inc., at 2301 N.W. 7th Street, Miami, Florida, in about May, 1971. RAMOS worked with BARKER until about September, 1971, when he severed his relations over a dispute concerning a commission on a real estate transaction. He noted that he presently has a suit pending against BARKER for the recovery of this commission. Y

During his association with BARKER, RAMOS noted that BARKER made frequent trips out of the Miami area and was absent from the business for prolonged periods of time, however, BARKER never explained these trips to RAMOS. RAMOS noted that this was another reason for severing his relationship with BARKER as BARKER spent considerable time out of town and making long distance telephone calls not related to the real estate business. Also during their association together, RAMOS knew of no business dealings pending or otherwise which might result in BARKER accumulating \$114,000. U

RAMOS described BARKER as "short tempered" and a "dangerous animal" when he does not get his way, otherwise, BARKER is a "sweet talker". U

RAMOS could furnish no information concerning the events leading to the arrest of BARKER on June 17, 1972. U

ANDRES AMOEDA, Real Estate Salesman, Barker Associates, Inc., 2301 N.W. 7th Street, Miami, Florida, advised that he was born on October 31, 1936, in Havana, Cuba. He noted that he is a step-cousin of BERNARD BARKER and although BARKER is older, they were raised in the same household in Cuba. AMOEDA noted that he came to the United States in 1955 through the efforts of BARKER, who introduced him to the United States Ambassador in Havana at that time. U

AMOEDA stated that he had heard that BARKER had been associated with the CIA both in Havana and in the United States, however, he noted that BARKER never told him this personally about any of his activities. AMOEDA said that this fact is generally known in the Cuban community. U

AMOEDA was of the opinion that BARKER is not a leader and that BARKER would be motivated by his strong patriotic feelings for the United States. U

AMOEDA stated that he knows of no business dealings made by BARKER involving the sum of \$114,000. He had heard, however, that BARKER had some South Americans willing to invest some money in some real estate deal of BARKER's, but he is not aware of the results of these meetings. U

The only other individual who might be aware of any financial dealings of BARKER's, would be HARRY RYAN, who is connected with Dominion Mortgage Company, Coral Gables, Florida. U

HARRY RYAN, 2701 Natoma Street, Coconut Grove, Florida, advised that he is employed by Dominion Mortgage Company, 1001 Ponce de Leon, Coral Gables, Florida, as a mortgage broker. He noted that he has known BERNARD BARKER for several years while BARKER was employed by Valledor and Marx Realty Companies, and has assisted BARKER in obtaining FHA financing.

RYAN noted that he was aware that BARKER is involved in the construction of Biarritz Towers on Miami Beach, Florida, and that in early June, 1972, a construction loan of \$495,000 was obtained from G.A.M.I., Atlanta, Georgia. He noted, however, that to his knowledge, no disbursements have been made to BARKER and his associates on this project.

RYAN said they have been involved in approximately 20 business transactions with BARKER over the past several years and that none would even approximate the sum of \$114,000.

RYAN stated that he knows BARKER and ROLANDO MARTINEZ only as business associates and had no prior information or knowledge regarding any trips made by these individuals to Washington, D. C.

BARKER's duties as a member of the Board of Directors involved administrating the affairs of the Medical Clinic in an advisory capacity only.

After determining Miami telephone number 221-3017 was subscribed to by JOSEPH J. DI ALBERTO, residence 4030 S.W. 111th Avenue, Miami, telephonic contact was made with DI ALBERTO at his home on June 28, 1972, and an appointment made to interview him on June 29, 1972, at his office. *U*

U
DI ALBERTO was interviewed at the real estate office with which he is employed, Lot Headquarters, Real Estate & Insurance, 1404 Ponce de Leon, Coral Gables, telephone 446-3331. *U*

When advised by SA PRUE C. CLINKSCALES of the nature and purpose of this interview, DI ALBERTO stated that he has known BERNARD L. BARKER since early 1971, when he, as well as BARKER, was employed as a real estate salesman at the realty firm of ROBERT E. MARK, 5850 West Flagler Street, Miami. He advised that BARKER was one of five real estate salesmen, including DI ALBERTO, working for MARK who became unhappy with their employment there and all five salesmen voluntarily left MARK. DI ALBERTO did not recall exactly when BARKER terminated his employment with MARK or exactly when BARKER established his own realty company, Bernard L. Barker and Associates. *U*

DI ALBERTO, who stated he was of Italian rather than Cuban descent, advised that he has met and on occasion had lunch with BARKER since both left Marx Realty, primarily because BARKER was interested in having DI ALBERTO leave his present employment and come to work as a salesman for Barker and Associates Realty Company. DI ALBERTO advised that he is quite satisfied and happy with his present job and has, therefore, declined to leave and go to work for BARKER. *U*

DI ALBERTO said he has handled only one real estate deal in which he "co-oped" with BERNARD BARKER, that deal involving twenty acres of land in South Dade County. DI ALBERTO advised that property had been listed with him and his firm for sale and that BARKER had come up with a buyer for that property, buyer identified as one

ALBERTO CLIF. The property involved is located six miles west of Krome Avenue and two miles south of the Tamiami Trail, in Southwest Dade County. He said this deal began in late May, 1972, and is now scheduled to be closed around July 15, 1972. He identified the attorney for the buyer of this property as Attorney STANLEY ERSOFF, 1439 West Flagler Street, Miami. After BARKER's client, ALBERTO CLIF, agreed to buy this acreage, sales price for which was \$15,900, that buyer was required to place in BARKER's escrow account the sum of \$1,000. Inasmuch as the deal has not as yet been closed, DI ALBERTO advised the \$1,000 deposit should still be in BARKER's escrow account. U

DI ALBERTO advised he knew of no other large sums of money which might have come into possession of BERNARD L. BARKER during recent months, through his realty company or otherwise. At this point photographs of the following individuals were exhibited to him, in response to which DI ALBERTO advised: U

BERNARD L. BARKER - Photograph of the realtor who operates Barker and Associates Realty Company, dealings with whom DI ALBERTO described herein above.

EUGENIO ROLANDO MARTINEZ - DI ALBERTO believes he has observed MARTINEZ in the company of BERNARD L. BARKER; believes he might have at one time been introduced to MARTINEZ, whose name he does not now recall; but never had any dealings with MARTINEZ, business or personal.

FRANK ANTHONY STURGIS, also known as Frank Anthony Fiorini - has never met this person, does not recall ever having seen him.

VIRGILIO GONZALES - does not recall ever having met or seen this individual.

JAMES WALTER MC CORD, JR. - does not recall ever having met or seen this individual.

When asked specifically, DI ALBERTO knew of no contacts or connections of BARKER, either business or

personal, in Mexico. He knew of no recent trips by BARKER to Washington, D.C. or New York City or elsewhere outside Florida for several months prior to June 16, 1972, DI ALBERTO pointing out that he had never visited in BARKER's home, knew nothing of BARKER's personal life or activities outside the real estate field, and had no knowledge of any close associates of BARKER among the Cuban element in Miami.

PASTOR MARTINEZ, 341 Iowa Street, Ft. Lauderdale, Florida, telephone 581-1726, was interviewed in Spanish. He stated that his full name is PASTOR DEL RIO CARILLO. He is a retired attorney and practiced in Cuba. He arrived in this country in 1962. He has not been employed since his arrival. His wife, whose maiden name was JOSEPHINE MARTINEZ and who speaks English, has handled all business transactions since his arrival. When she occupied their present residence in Ft. Lauderdale she listed the telephone under the name MARTINEZ and opened up accounts in a nearby bank under that name. It seemed convenient for her to carry the name in that manner and it has been done since. Their immediate neighbors know them as MARTINEZ but all other friends and relatives are aware of their true name. He stated no attempt has been made to hide their identity and this situation came about as a result of the convenience in using his wife's maiden name initially because she was involved in the transactions and for no other reason. U

He stated that the name BERNARD L. BARKER is unknown to him and he cannot recall receiving a telephone call Sunday, May 7, 1972, from BARKER. He advised for the purpose of paying bills in connection with telephone toll charges he normally keeps a record of telephone calls made by him or charged to his number in order that his wife can compare these tolls with charges received from the telephone company. He produced a calender which reflected a telephone call received May 7, 1972, from VINCENTE DOMINGUEZ, Miami, telephone CA1-2742. He described DOMINGUEZ as a millionaire Cuban who operated a sugar bureau in Haiti and Miami. He stated the telephone call had nothing to do with politics nor was it in any way connected with BERNARD L. BARKER or any of the members of his group. U

He advised that he had read of the break-in to the Democratic Perty Headquarters, Washington, D. C. He found an article relating to this in a Spanish newspaper and noted

He advised that VIRGILIO GONZALEZ has been employed at the Missing Link since August 1, 1960. He states that GONZALEZ is a competent employee, and that he does not know why GONZALEZ would participate in the burglary in Washington. U

He farther stated that GONZALEZ was absent from work between May 21 and May 30, 1972, and May 3 and 4, 1972. FIH
At the outset of the interview SA PRUE C. CLINKSCALES informed VIDAL of the matter of the interview desired with him, basis for which was the listing of VIDAL's name and business address in an address book of ROLANDO MARTINEZ. VIDAL advised during the past ten days he had read numerous newspaper articles concerning the arrest of MARTINEZ and others in Washington, D.C. and he pledged his assistance and cooperation in anyway possible in connection with this investigation. U

VIDAL advised he came to the United States in September, 1959. Having worked in a bank in Cuba, VIDAL sought employment in a bank in the Miami area but due to low salaries paid he did not accept employment with any local bank. He mentioned that prior to leaving Cuba he had served as a congressman there. In lieu of local employment, VIDAL advised he invested his savings of \$3,000 in the Mesa Furniture Manufacturing Company, then located in Hialeah, Florida, which company went out of business in 1961. During the time VIDAL was associated with that company he became acquainted with VIRGILIO GONZALEZ, who was employed at that company during 1959-60 as a spray painter. After VIDAL left the company he did not see or have occasion to associate with GONZALEZ. VIDAL said about three or four years ago at a restaurant located in the vicinity of N.W. 7th Street and 22nd Court, Miami, he accidentally met VIRGILIO GONZALEZ who informed VIDAL at that time that he was then employed as a locksmith, just where not mentioned. VIDAL did not see VIRGILIO GONZALEZ until VIDAL and his wife attended a wedding reception, held four or five months ago, at Viscaya in honor of the daughter of CARLOS PRIO, who had just married. He said he spoke briefly with GONZALEZ who was also in attendance at the reception. U

In response to specific questions VIDAL advised that he knew nothing further regarding the activities, associates or travel of VIRGILIO GONZALEZ in the past several years.

With regard to ROLANDO MARTINEZ, VIDAL advised that for the past five or six years he has prepared income tax returns for ROLANDO MARTINEZ, except the last income tax return for 1971, due in the early part of 1972. MARTINEZ did not solicit VIDAL's assistance and VIDAL advised he did not seek out MARTINEZ to inquire as to why MARTINEZ had not engaged VIDAL to prepare his latest income tax return. Additionally, VIDAL advised that several days each week he has lunch at the Tasca Restaurant located in the 2700 block of West Flagler Street, and frequently he sees ROLANDO MARTINEZ at that restaurant, on an average of two or three days each week. During the past year his conversations with MARTINEZ at the restaurant have consisted only of greetings, brief conversations, none of which related to MARTINEZ' activities and associates. In this regard VIDAL knows little or nothing regarding MARTINEZ' recent employment, associates, activities or travel.

At this point, VIDAL was shown the photographs of EUGENIO ROLANDO MARTINEZ and VIRGILIO R. GONZALEZ, which he identified as persons known to him as set forth above.

When shown the photographs of BERNARD L. BARKER VIDAL said he is not personally familiar with BARKER but believes he has observed BARKER in the company of ROLANDO MARTINEZ on several occasions at the Tasca Restaurant. When shown photographs of FRANK ANTHONY FIORINI, aka FRANK A. STURGIS and JAMES WALTER MC CORD, JR., VIDAL advised that he is not personally acquainted with these individuals and does not recall ever having seen them.

In response to specific questions, VIDAL advised he has no knowledge of any large sums of money coming into possession of VIRGILIO GONZALEZ or ROLANDO MARTINEZ. He denied any personal knowledge as to the reason or purpose for GONZALEZ or MARTINEZ having been in Washington, D.C. at the time of their arrest there on June 17, 1972, and denied any knowledge of the activities of these two individuals or others arrested at the same time in Washington, D.C.

Mr. WILLIAM J. KEEFE, Branch Manager, Pan American Aluminum Corporation, 2805 N.E. 185th Street, telephone 947-0641, was contacted and requested to furnish background information concerning FRANK A. STURGIS, also known as FRANK ANTHONY FIROINI.

Mr. KEEFE checked available personnel records which reflect FRANK STURGIS, Social Security No. 095-18-9240, was first employed there around October 1, 1970. STURGIS, prior to that time had been employed by an unrecalled construction company, in the building of the "Century 21" apartment complex just south of Pan American Aluminum Corporation offices. STURGIS worked for approximately one year on a salary plus commission but according to Mr. KEEFE, he was not producing, not selling enough of the company products to warrant a salary and accordingly in October, 1971 STURGIS began working on a commission basis only.

KEEFE checked records which reflected that since January 1, 1972 through June 13, 1972, gross commissions totaling \$2,002.08 had been paid to STURGIS. In analyzing payments of commissions totaling this amount it was noted that in February, 1972, a check in the amount of \$295.69 was paid to STURGIS and all other checks since January 1, 1972, were in amounts less than \$100 most of which were in the \$40 to \$60 range. Mr. KEEFE commented that this is a very small salary, especially for a man with a family.

KEEFE pointed out that since STURGIS worked for commissions only, he was not required to come by the company's offices on a daily basis. He said STURGIS came by at his own pleasure, primarily when he had an order to place for aluminum windows and doors, or to inquire as to whether or not the company would be able to fill an order and make delivery by a specified time. KEEFE estimated that STURGIS' visits to the company's offices would average two or three times a week.

KEEFE said that he recalled STURGIS came by the company's offices around 3:30-4:00 PM on Friday, June 16, 1972,

at which time he inquired concerning an order he hoped to sell. At that time STURGIS made no mention of any anticipated trips to Washington, D.C. or elsewhere. KEEFE advised that on two prior occasions STURGIS had mentioned that he would be out of the Miami area, exact dates of which KEEFE did not recall. He believed that approximately two months ago, in late April or early May, 1972, STURGIS had mentioned that he planned to be away from Miami for a period of three to four days. KEEFE had no knowledge as to where STURGIS might have been during that period. Later, he said STURGIS mentioned that he expected to be away from the Miami area for approximately one week but made no mention as to where he, STURGIS, expected to go, purpose of his travel or identity of persons with whom he would be traveling. KEEFE said that he did not see STURGIS for a period of ten days. He believed STURGIS' absence during that ten day period was around the last week of May, 1972.

KEEFE concluded by saying that he knew nothing of STURGIS' family life or outside activities. He did not recall STURGIS ever having brought anyone to the company's offices with him. At this point the photographs of the following individuals were shown to Mr. KEEFE, none of whom KEEFE knew and none of whom he recalled having seen in the company of FRANK STURGIS:

JAMES WALTER MC CORD, JR.
EUGENIO ROLANDO MARTINEZ
BERNARD L. BARKER
VIRGILIO GONZALEZ

In conclusion, KEEFE advised that he had no idea as to the basis or purpose of STURGIS being in Washington, D.C. on June 17, 1972, or engaged in activities for which FIORINI and other associates had been arrested.

On June 28, 1972, Mr. LESLIE RANDALL, Administrative Vice President, Pan American Aluminum Corporation, 2805 N.E. 185th Street, telephone 947-0641, was interviewed and advised that he knew only casually FRANK STURGIS who has worked for the company since late 1970. He said STURGIS worked for about a year on a salary plus commissions but due to the small gross sales made by STURGIS, in October, 1971, he was employed as a salesman on a commission basis only. Since that time gross sales by STURGIS has totaled slightly over \$2,000, in fact so small a sum consideration has been given to termination of STURGIS as a salesman for this company.

RANDALL said he had very little personal contact with STURGIS since he began work here. He knew nothing of STURGIS' family life, outside activities or associates. When shown to him, RANDALL did not recognize photographs of BERNARD L. BARKER, EUGENIO ROLANDO MARTINEZ, VIRGILIO GONZALEZ or JAMES WALTER MC CORD, JR.

Upon request, Mr. RANDALL agreed to obtain from storage in a company warehouse cancelled checks reflecting commissions paid to STURGIS since January 1, 1972, and from cancellations stamps on the back of checks reflecting commissions paid to STURGIS, attempt to determine whether or not any large percentage of these checks had been cashed by STURGIS at any one local bank so as to indicate if STURGIS maintained a bank account there.

When recontacted on June 30, 1972, in this regard, RANDALL advised that all checks reflecting commissions paid to STURGIS, with one exception, had been cashed at a Kwik Check Supermarket. The one exception had been cashed at a small quick service market. All of the cancelled checks showed endorsements other than STURGIS which would indicate STURGIS had cashed none of his commissions checks at a local bank.

GENE ROLANDO VALDES
JOSE FELIPE PIEDRA
RAUL VIRGILIO GODOY
JOSEPH FRANK DI ALBERTO

The immediate possibility of the identity of FELIPE - (Last Name Unknown), also known as JOSE PIEDRA, was FELIPE DE DIEGO, a real estate salesman employed by BARKER at Barker Associates, Miami. FELIPE DE DIEGO, 1841 S.W. 92nd Place, provided the following information: U

He is employed as a real estate salesman for BERNARD L. BARKER at Barker Associates, 2301 N.W. 7th Street. He has been so employed about eight months. However, he has known BARKER by reputation for several years. BARKER is commonly known as "MACHO" BARKER. BARKER's nickname "MACHO" is a colloquialism loosely translated into English as an aggressive "he man". U

Sometime immediately prior to May 2, 1972, BARKER recruited DE DIEGO and eight others to accompany him to Washington, D. C. to confront a group of demonstrators who were picketing and verbally shouting anti-American slogans and slogans against the deceased FBI Director J. EDGAR HOOVER. DE DIEGO agreed to the trip, believing that this action would be a positive patriotic action against communism as a voice speaking out for Cubans and Americans alike. DE DIEGO stated he would participate in almost any action against communism if he himself analyzed the action and felt it were legitimate and effective. N

On May 3, 1972, BARKER, DE DIEGO and the others went to Washington, D. C., via a National Airlines (NAL) flight, departing at 12 noon. After arrival at Washington, D. C. they went to the Capitol Rotunda where the remains of the late FBI Director JOHN EDGAR HOOVER lay in state. After paying their respects to his memory, they confronted the demonstrators who were picketing the area in the immediate vicinity. The confrontation included physical violence, tearing down anti-American signs, a tent, and gaining access to the demonstrators' public address system. The Miami group then utilized the public address system to upbraid the demonstrators. No arrests were made by the Washington, D. C. Police Department who broke up the melee. The melee received considerable coverage by the news media. N

After the confrontation, the Miami group went to two different hotels in the downtown Washington area. DE DIEGO did not recall exactly who stayed where, nor the names of the places they stayed. He and some of the group stayed at an older hotel in the same block and on the street running perpendicular to the street where the Mayflower Hotel is located. The rest of the group stayed at a nice motel directly across the street from the downtown Holiday Inn. The entire group returned to Miami the following morning.

BARKER furnished the tickets used for the flight. All expenses were also paid for the trip. Although DE DIEGO did not know specifically who paid the bills, he said he himself did not pay for anything, nor was he paid anything by way of salary or gift to make this trip.

Aliases were used for the trip which DE DIEGO assumed was to avoid being detained by Cuban authorities under true names. In view of the background of the people traveling, in the event the airplane they traveled on was hijacked to Cuba. He did not recall specifically who used what alias, as the tickets were furnished by BARKER without comment. The others making this trip with him were BERNARD L. BARKER, FRANK FIORINI, VIRGILIO GONZALEZ, ROLANDO MARTINEZ, REINALDO PICO, HUMBERTO LOPEZ, HIRAM GONZALEZ, PABLO FERNANDEZ, and ANGEL FERRER. Other than BARKER and MARTINEZ, DE DIEGO did not know the others too well.

VIRGILIO GONZALEZ is a locksmith who lives near the office of Barker and Associates. FIORINI is an American who fought for the Cuban Revolutionary leader, FIDEL CASTRO, against Cuban President FULGENCIO BATISTA in the late 1950's, and subsequently became an anti-CASTRO fighter when CASTRO came into power as Cuban dictator in 1959. REINALDO PICO is a public relations man who has been active for a Cuban labor organization. PICO participated with DE DIEGO in the ill fated Bay of Pigs invasion of 1961, and, with DE DIEGO and others, was taken prisoner. PICO and nine others were released shortly after imprisonment by Cuban officials to negotiate with the U. S. Government for the release of the other prisoners. At the conclusion of negotiations, PICO and one other man refused to return to Cuba, according to agreement, although the other eight did. ROLANDO MARTINEZ is a Cuban patriot and fellow salesman at Barker Associates. HIRAM GONZALEZ is a contractor with whom BARKER has had business dealings. PABLO FERNANDEZ is a Cuban revolutionary student leader, possibly attending

the University of Miami. ANGEL FERRER is a leader of a group of Cuban veterans of the U. S. Army who had been trained at Ft. Jackson, South Carolina, during 1962 and 1963, and subsequently served in the U. S. Army. DE DIEGO recalled nothing concerning the background of HUMBERTO LOPEZ.

DE DIEGO related that he and some of the above group made a trip to Washington, D. C. on May 22, 1972, also. He stated the two trips were not related in any way, to the best of his knowledge. He repeated the purpose of the May 3 trip was to confront the demonstrators and pay respect to the late JOHN EDGAR HOOVER. He felt the confrontation was a patriotic gesture in respect to the memory of this outstanding fighter against communism which he would not hesitate to do again if the situation presented itself.

Sometime just prior to May 22, 1972, BARKER again recruited him for a trip to Washington, D. C., advising him no more than that the trip was an action against communism. DE DIEGO was not sure of the exact conversation but in essence contained this feeling which was accented in his mind by the previous trip. The May 22 trip was made by himself, and the previously mentioned BERNARD L. BARKER, ROLANDO MARTINEZ, VIRGILIO GONZALEZ, FRANK FIORINI, and REINALDO PICO. On this trip he assumed the alias of JOSE PIEDRA; GONZALEZ had the alias RAUL GODOY; FIORINI had the alias JOSEPH DI ALBERTO; PICO used the alias JOSE GRANDA or GRANADA; MARTINEZ used the alias GENE VALDES; and BARKER used the alias FRANK CARTER.

On this trip the six of them split up into two groups. He, MARTINEZ and GONZALEZ flew via Eastern Airlines (EAL) in the early morning of May 22, 1972, and were met at Washington International Airport by BARKER and the others in a rental car driven by BARKER. He assumed BARKER obtained the vehicle as BARKER had control of the vehicle during their stay. From the airport they drove to the Hamilton Hotel, Washington, D. C., where they took three adjoining rooms, numbers or floor unrecalled. On May 26, 1972, all six of them moved to the Watergate Hotel, Washington, D. C. and took three rooms on the same floor. He recalled the roommate arrangements were as follows: DE DIEGO with GONZALEZ;

MM 139-328

PICO with FIORINI; and BARKER with MARTINEZ. To the best of his recollection at the Watergate, DE DIEGO and GONZALEZ had room 209; PICO and FIORINI had room 214; and he did not recall the room occupied by BARKER and MARTINEZ. U

On May 30, 1972, the six returned to Miami. U

At no time during the stay, from May 22 to May 30, 1972, in Washington, D. C., was DE DIEGO informed of the reason for the trip. He participated in no conferences regarding the trip and asked no questions. He assumed the reason for the trip was for a strong action against communism and that he and the others were in a "stand by" during this time. U

He stated although he made the trip willingly any action he would have participated in he would have to have had complete knowledge of prior to his doing anything. He would not participate in any criminal action or anything he himself personally did not believe in. U

On May 29, 1972, BARKER advised the group would be returning to Miami as nothing was to happen on this trip and perhaps they would have to return again. U

During the stay in Washington, DE DIEGO did not see BARKER, whom he believed to be the leader of the expedition from Miami, meet with any Americans or confer outside of the group. No intra group conferences were held during this time. He observed no radio equipment, no photographic equipment, nor any locksmith equipment or tools. Each of the six had free access to each others rooms for socializing or any other incidental purpose. U

During the entire stay in the Washington area, DE DIEGO spent the time attending movies, shopping, socializing, and participating in other normal living activities. Although the group was nominally together, many times he may have been by himself for three or four hours, and could not possibly account for long periods of time of any of the other individuals in the group. U

MM 139-328

5.

DE DIEGO advised he had absolutely no idea of the purpose of the trip and would not even hazard an educated guess of a reason for the trip. U

Concerning the trip to Washington, D. C. about June 16, 1972, in which BARKER, FIORINI, GONZALEZ, MARTINEZ, and JAMES WALKER MC CORD were arrested in the Democratic Headquarters, DE DIEGO stated he had absolutely no knowledge. He was not consulted regarding the trip and was not invited to participate in the trip. MC CORD he knew by reputation as having been involved with the CIA over the past years; however, he did not know him personally. He has never seen MC CORD, to the best of his recollection. He saw each of his five associates of the May 22 trip sometime during the week preceeding the June 16th trip. He did not go into the office on Friday, June 16, as he and his son were involved in estimating, measuring and laying marble in the windows and baseboard of a house he is working on. He was aware that ROLANDO MARTINEZ had a court appearance set for June 16, 1972. U

DE DIEGO believes that the Cubans involved with him on his trips are all honorable, highly motivated, extremely patriotic Cubans. U

By way of personal background, DE DIEGO furnished the following information: U

His full name is ARSENIO FELIPE DE DIEGO ADAY. However, he has assumed the Americanization of his name as FELIPE DE DIEGO. He entered the United States in 1959 by himself and made arrangements for his family to leave Cuba. In October, 1960, he brought his entire family out of Cuba after returning for a short time. In 1961 he joined the ill-fated Brigade 2506 and received military training in Guatemala. This was his first military experience, as he had been the President of a bank in Cuba prior to this; in fact, he assumed the bank presidency at the age of 23. U

His function with the Brigade was as an intelligence officer. After the ill-fated failure of the 1961 invasion of Cuba, he was kept a prisoner and eventually released with the other prisoners back to the United States. In March, 1963,

he entered the U. S. Army as an officer and served until sometime in 1965 when he was discharged in Puerto Rico. From 1965 to 1967, he lived in Puerto Rico, and returned to Miami in 1967. When he returned to Miami, he became involved in different types of employment, and about three years ago started to work as a real estate salesman for the Keyes Company. At the Keyes Company he met an old Cuban acquaintance, ROLANDO MARTINEZ, and they became associates. About eight months ago, MARTINEZ convinced him to leave the Keyes Company with MARTINEZ and become associated with BERNARD L. BARKER in the real estate business. J

Date of transcription 7/3/72

~~PABLO MANUEL FERNANDEZ MAYAN~~, upon request, 7/1/72
voluntarily came to the Miami Office of the FBI where
he was interviewed by Special Agents ROBERT JAMES DWYER
and GEORGE E. DAVIS, JR. At the outset of the interview
he was given an "Advice of Rights" form which he read
and signed after stating that he had no objection to
discussing anything with the FBI. BORN March 23-1945 Cuba

~~PABLO FERNANDEZ~~ described himself as being a student
at Miami Dade Junior College-North, although not
attending the summer session, and as being head of a
Cuban exile group known as Juventud Autentico (Authentic
Youth). He explained that this is the youth organization
of the traditional Cuban political party known as the
Partido Revolucionario Cubano-Autentico, usually referred
to as the PRC or as the Autentico Party. The PRC is
under the leadership of former Cuban president CARLOS PRIO
SOCARRAS.

FERNANDEZ stated that he is a friend of EUGENIO
ROLANDO MARTINEZ, who is also a member of the PRC. On
May 1, 1972, MARTINEZ telephoned FERNANDEZ stating that
he would like to talk with him on the following day concerning
a particular matter. Consequently, on the following day
FERNANDEZ met MARTINEZ at a Sambo Restaurant located on
27th Avenue. At that time MARTINEZ explained that he was
getting a group together to go to Washington, D.C. in order
to attend the funeral services for J. EDGAR HOOVER, which
were scheduled to take place at the Capitol Building on
May 3, 1972. FERNANDEZ replied that he did not have money
and could not afford to take such a trip. MARTINEZ then
stated that FERNANDEZ had nothing to worry about as MARTINEZ
would take care of all the expenses. FERNANDEZ thereupon
agreed to go and MARTINEZ instructed him to meet with him
and other members of the group at 11:00 AM, May 3, 1972,
at Miami International Airport, where they would depart on
a National Airlines flight.

Upon arrival at the appointed time at the Miami
International Airport on May 3, 1972, FERNANDEZ found MARTINEZ
there with a group which included HUMBERTO LOPEZ and VIRGILIO

GONZALEZ, both of whom FERNANDEZ knew as members of the PRC. Also present were ANGEL FERRER, whom FERNANDEZ described as the self-appointed leader of the Veterans of Fort Jackson; BERNARD BARKER, a man named PICO, whose first name FERNANDEZ never knew, FRANK FIORINI and another individual who was introduced as being a building contractor by profession. FERNANDEZ was unable to recall a tenth member of this group. U

FERNANDEZ said that he had never met BARKER previously although he knew him by reputation. FERNANDEZ's father had once been the immediate boss to BARKER when BARKER was employed as a salesman for Remington Rand in Cuba. Also FERNANDEZ knew that BARKER had an office at 7th Street and N.W. 23rd Avenue, Miami, next door to the office of the PRC. FERNANDEZ added that BARKER has the reputation of working or at least having worked for CIA and that many Cuban exiles are leery of BARKER fearing that he might turn them in to the authorities if they are involved in the same operation with him; that BARKER has the reputation of liking money. U

FERNANDEZ said that prior to boarding the plane he had told MARTINEZ that he did not want to travel under his own name because if any publicity or photographs resulted from this trip they might fall into the hands of the FIDEL CASTRO government and MARTINEZ assured him that his ticket would be obtained under an alias. FERNANDEZ did not know what alias had been used by MARTINEZ in obtaining his ticket. U

FERNANDEZ said he sat with HUMBERTO LOPEZ on the trip to Washington, D.C. via National Airlines and other members of the group were scattered about the plane. Upon arrival in Washington BARKER rented a small bus and the entire group was taken to a hotel located at 1414 Rhode Island Avenue, N.W. FERNANDEZ was unable to recall the hotel's name but described it as being across the street from a Holiday Inn and about one block from a Greek restaurant. BARKER registered for the entire group in Suite #904-910. BARKER subsequently told FERNANDEZ that he had used the name of VALDEZ for FERNANDEZ in registering at the hotel. U

MM 139-328

3

BARKER explained to the group that they would go to the Capitol Building at about 6:00 PM and that in the meantime members of the group could go sightseeing. FERNANDEZ departed by himself from the group to go sightseeing in the immediate area but returned to the hotel shortly thereafter because it was raining. Two taxi cabs were hired to transport the group to the Capitol Building at approximately 7:30 PM. They visited the rotunda of the Capitol Building to pay respects to Mr. HOOVER whose body lay in state. The group then left the rotunda and went outside to an area where about 1,000 hippies were assembled. FRANK FIORINI advanced upon the hippies and began to accuse them of being traitors. Immediately thereafter FERNANDEZ got into a fist fight with one or more of the hippies and then all of the Cubans and many of the hippies became involved in fisticuffs. After this fight was broken up by the police the Cubans returned to their hotel. They dined at a Greek restaurant about one block from the hotel, after which they again returned to the hotel. BARKER and MARTINEZ did not stay at the hotel that evening however. BARKER gave the first name of a woman and two telephone numbers, one being that of an office and the other that of a residence, where they could be reached through this woman. FERNANDEZ recalled the woman had a Spanish type name but he was unable to recall either the name or the telephone numbers. He said that he had noted the name and the telephone numbers on a slip of paper which he thought he had placed in his wallet but after making a careful search of his wallet he was unable to locate this information. U

FERNANDEZ said he spent the night at the hotel. On the following morning, May 4, 1972, the group departed for the airport and left via National Airlines at about 9:00 or 9:30 AM for Miami. N

FERNANDEZ said that he did not personally observe anyone pay for the cost of transportation or the hotel accommodations. He assumed that either MARTINEZ or BARKER, both of whom seemed to be in charge of the operation, had paid for these expenses. He did observe MARTINEZ pay for taxi cab fares and for meals however. N

FERNANDEZ also speculated that either the Republican Party or some CIA employee, acting without authority, may have financed the trip and made the funds for same available to MARTINEZ and BARKER. He said that no mention was made by anyone during this trip concerning the Democratic National Party Headquarters nor the Watergate Hotel. FERNANDEZ assumed that he had been invited to go because of his past reputation as a hippie fighter, since he has been embroiled previously in fisticuffs with hippie types in Miami. U

FERNANDEZ also expressed the opinion that Miami Attorney MIGUEL A. SUAREZ may be involved in the Democratic National Party break-in attempt of June 17, 1972. He based this opinion from what he believed to be a close connection between SUAREZ, BARKER and MARTINEZ, and upon the fact that a number of experienced Cuban politicians in Miami area allegedly stating that the June 17, 1972, incident is similar to like incidents SUAREZ' father, former Cuban Senator MIGUEL SUAREZ FERNANDEZ, engaged in during past years in Cuba. FERNANDEZ said that he is personally responsible for SUAREZ, JR. having been ousted from PRC membership in Miami. He asserted that he would not have agreed to go on this trip if he had known about the possible involvement of SUAREZ as FERNANDEZ now speculates. U

FERNANDEZ said that at no time did MARTINEZ or anyone else proposition him about participating in the June 17, 1972 incident at the Watergate Hotel, although he has the feeling that there may be some connection between the May 3-4, 1972, trip and the Watergate Hotel incident. He also got the impression that the main purpose of the May 3-4, 1972, trip to Washington was in order to have a confrontation between Cubans and the hippies although this was not mentioned by anyone and the confrontation came as a surprise to FERNANDEZ. U

He stated that this upset him. He stated further that this very much upset his wife who thought that possibly he might have been involved in this burglary. He stated that he wished to say that he was not involved in this burglary and had no knowledge concerning the burglary. He explained this thoroughly to his wife. U

ANGEL FERRER requested that his wife not be contacted because she is extremely nervous. He stated, however, that if the FBI wishes to converse with him again he would be available anytime in the future. He advised that he works at his gas station from 9:30 in the morning to 7:00 PM daily. He requested that he not be contacted at his residence because of his wife's nervous nature. U

HIRAM GONZALEZ was interviewed at the construction site of Biarritz Towers located at 71st Street and Biarritz Drive, Miami Beach, Florida, at which time he was again advised of the identity of the interviewing agents and the nature of the inquiry.

HIRAM GONZALEZ admitted that he had made a trip to Washington, D. C. on May 3, 1972, in the company of BERNARD BARKER, ROLANDO MARTINEZ, FRANK FIORINI, VILLO GONZALEZ, REINALDO PICO, FELIPE DE DIEGO, HUMBERTO LOPEZ, ANGEL FERRER and PABLO FERNANDEZ. He noted that the purpose of this trip was to pay tribute to J. EDGAR HOOVER and also to demonstrate against the "Anti-American" demonstrations then going on in Washington, D. C. He stated that he did not know LOPEZ, FERRER or FERNANDEZ very well, but did know that they were Cuban activists.

HIRAM GONZALEZ recalled that several days before leaving Miami, he was in the office of Barker Associates, Inc., 2301 N.W. 7th Street, Miami, and overheard a conversation between BARKER, MARTINEZ and DE DIEGO regarding the "Anti-American" demonstrations in Washington, D. C., and especially in the vicinity of HOOVER's body which lay in state in the Rotunda of the Capitol. All agreed that something should be done about these demonstrations. At this time it was decided that a group of Cuban-Americans should make the trip to Washington. HIRAM GONZALEZ gave MARTINEZ the money for his airplane ticket, but noted all other expenses including hotel and so forth was paid by someone else. He was not sure whether BARKER had paid these other expenses.

HIRAM GONZALEZ insisted that the only purpose of this trip was to honor the memory of J. EDGAR HOOVER and to agitate against the "Anti-American" demonstrators. He said that if asked, he would do the same thing all over again as he feels that strongly against un-American activities in the United States.

He noted that he was extremely upset when he learned that aliases were used on the airplane tickets and

in registering at the hotels in Washington, D. C. He made this fact known to both BARKER and MARTINEZ, however, they explained that aliases were used in case any problems arose so that no one would know their true identities.

HIRAM GONZALEZ said that the group of ten left Miami at about noon on May 3, 1972, and stayed at an unrecalled hotel in downtown Washington, D. C., with several of the group while BARKER and another group stayed at another unrecalled hotel. He stated further that the group went to the Capitol Rotunda to pay their respects to HOOVER and upon leaving, engaged the demonstrators in verbal and physical combat. After the altercation was broken up by the police the group returned to their hotels and left for Miami during the early morning of May 4, 1972.

HIRAM GONZALEZ said that he complained generally to the group about the group's inactivity during their stay in Washington, D. C. He felt that they should have been more active against the "Anti-American" demonstrators.

HIRAM GONZALEZ denied any prior knowledge of any other trips made by this group in whole or in part. He also denied being asked to participate in any other trip with BARKER or other members of this group. HIRAM GONZALEZ noted, however, that if he had been asked he would probably have agreed to make any trip suggested to him if it would help keep America free from Communist or other anti-Americans.

HUMBERTO ~~X~~ LOPEZ ~~X~~ PEREZ advised he is commonly known as HUMBERTO LOPEZ, 2999 West Flagler Street, Apartment 10, and he as a guest of BERNARD BARKER went to Washington, D.C., around noon May 3, 1972, via National Airlines, stayed overnight and returned to Miami the following morning, May 4, 1972. LOPEZ explained that he is Secretary of the Authentic Party headed by PRIO SOCARRAS and that the aims of the Party are anti-CASTRO and pro-American. He stated that the Authentic Party's office is located in the Habana Vieja Shopping Center, 23rd Avenue and N.W. 7th Street, next to the office of Barker Associates. He advised that he has been on speaking terms with BERNARD BARKER for several years. He stated that, upon the death of JOHN EDGAR HOOVER, Director of the FBI and upon learning that Mr. HOOVER would lie in state on May 3, 1972, BARKER asked him as a representative of the Authentic Party to be his guest and go to Washington to pay respects to the Director. LOPEZ stated that he thought this was an excellent idea as he was a great admirer of Mr. HOOVER and accepted the invitation. He stated that, while in Washington, there was a brief melee with a hippie group who were engaged by the Miami contingent but that no arrests were made although there was some press coverage to the incident. While in Washington, he related that the group split up and he believed he stayed in a motel which was either the Holiday Inn or a motel across the street from the Holiday Inn and believed he stayed in room 910. To the best of his recollection, the following individuals stayed at the motel with him: U

PABLO FERNANDEZ
 ANGEL FERRER
 REINALDO PICO
 FRANK FIORINI

The others he believed stayed in an older hotel which was located relatively close by. U

LOPEZ explained that other than his work with the Authentic Party he does not consider himself an activist and other than his slight relationship with BARKER he was never

closely associated with any other individual in this group. He advised that, while he believed BARKER paid for the fare and lodging, he was given his ticket by ROLANDO MARTINEZ and that his hotel room, which was a single, was also paid for by MARTINEZ. Relative to his background, he stated he was employed in the Ministry of Government under Dr. GRAU in Cuba. In August, 1960, he sought asylum in the Embassy of Brazil and stayed there until March 1, 1961, when he received asylum in Venezuela and was at the Embassy in Venezuela until he entered the United States on September 10, 1962, and was assigned by INS Number A 11-261-938. His present employment is with the Suave Shoe Corporation, Hialeah, prior employment was with National Cleaners. He advised that he is married to MARGOT LOPEZ who is employed in a hat factory on 57th Court between 32nd and 33rd Roads. He has a son, HUMBERTO LOPEZ, 30 years old, who also works at this hat factory.

From January, 1969 until March or April, 1970, MR. LANG worked for the Republican National Committee at Washington, D.C. as Special Assistant to the Chairman and as Assistant Finance Chairman.

LANG was attempting to solicit business for his airline. MR. NUNN requested that LANG write a letter to Republican National Committee, in care of ROBERT ODLE at 1701 Pennsylvania Avenue, Washington, D.C. with details concerning charter service, rates and so forth.

MR. LANG produced a copy of a letter dated April 13, 1972 directed to ROBERT ODLE, Committee to Re-elect the President, 1701 Pennsylvania Avenue, Washington, D.C., in which he solicited business for his airline and set forth certain rates, schedules and so forth.

VINCENT DUSIO, Manager, Hertz Rent-A-Car, Providence, Rhode Island, advised that all applications for a Hertz Rent-a-Card are immediately forwarded to Oklahoma City, telephone number 405-721-6440. DUSIO further advised the branch office does not maintain record of credit card applications.

A review of the current Providence, Rhode Island Street Directory, reflects that residence 1171 Eddy Street, Providence, is listed to JOAN D. LORENZO. It should be noted that this area (that is Eddy Street), is predominantly a black, low income, transient area in Providence.

Officials, Providence, Rhode Island City Hall, advised subsequent to a review of their records in the Office of the Board of Canvassers, they will recontact the Federal Bureau of Investigation re a 1959 residence listing for 1171 Eddy Street, Providence.

The following investigation was conducted by Special Agent JOHN F. ROBERSON, JR., on July 6, 1972:

Personnel, Special Investigations Division, Registry of Motor Vehicles, Boston, Massachusetts, advised that the motor vehicle records reflect no record in the files for a driver's license number 101 614E. Personnel further advised that the said license number does not appear to be a valid number, since license numbers prior to the present system, began with the digit 0. Personnel stated that there have been innumerable counterfeits of the old yellow licenses utilized in 1959. The new system of licenses is based on the Social Security Numbers and there is no license issued to Social Security Number 145-14-1679.

The following investigation was conducted by Special Agent ALBERT S. ROSE, on July 6, 1972:

It was determined that the Hamilton signatures on specimens Q51, Q52, Q53, Q54, Q55, Q56, Q60, and Q61 were prepared by HUNT. CA

Characteristics in the Hamilton signature on specimen Q59 and the Warren signatures on specimens Q20, Q21, Q22, Q36, and Q43 indicate that these writings also were probably prepared by HUNT. CA

Lack of comparable writing or discrepant characteristics would not permit writings on other documents in this case to be identified as having been prepared by HUNT.

It was determined that the name on line 18 of specimen Qc63 was prepared by ROBERT A. WAIT, the writer of specimen K16.

U Illegibility of the name on line one of specimen Qc67 would not permit a determination of whether this name was or was not prepared by WAIT.

Limited comparable writing and discrepant characteristics precluded a determination of whether or not the name on line two of specimen Qc64 was prepared by GORDON G. LIDDY.

Lack of comparability in the names on line two of specimen Qc64 and line ten of specimen Qc66 prevented a determination of whether or not these writings were prepared by the same individual.

Specimens Qc63 through Qc67, K16, K17, and K18 are returned herewith. Photographs have been retained.
